Madison & Monroe Theatres

Mr. William F. Rodgers
Loews, Inc.
1540 Broadway
New York City

Dear Mr. Rodgers:

We are operating two theatres, the Madison and the Monroe, which are equal in class to the other neighborhood theatres where your pictures are shown second run, and only after twenty-one days are the pictures made available to us. The Madison and Monroe Theatres are each more than two miles away from the nearest of these second run houses, and are in entirely different neighborhoods.

We should like your consideration of open booking with these houses, and will pay the same price. We have been endeavoring to secure this without any definite satisfaction through your Buffalo office.

Yesterday we discussed our situation with Mr. O'Shea, and he agrees that we should be entitled to open booking.

Will you be kind enough to investigate this situation and advise us on the subject at your earliest convenience?

Cordially, Chester Fenyvessy.

Dear Mr. Maw:

Re-Clearance Schine vs. Madison-Monroe Theatres

Here is a hypothetical case—

A Metro picture opens August 7th at the Riviera Theatre; and opens August 14th at the Liberty Theatre, the last day of this engagement being August 16th. Under the Madison-

Monroe contract, Schine has 14 days clearance, which would make the picture available on August 31st. However, as certain pictures are designated by the distributors as Sunday attractions, in this case the picture would not be available for the Madison and Monroe Theatres until September 4th, which is 28 days from the opening date at Schine's Riviera Theatre.

We should like to know whether this was your intention in drawing up the contract.

Very truly yours, Chester Fenyvessy.

DEAR CHESTER:

Mr. Connors has requested me to investigate and write you concerning your inquiry as to Clearance on the West End Theatre, Rochester to the Arnett Theatre, Rochester.

As you know, Clearance has never been granted in this situation from one house to the other and these two houses have always been sold on "open availability" which, apparently, has always been satisfactory to all concerned. In fact, our product has been sold to both of these theatres for the season of 1938-39 on the same basis.

Sincerely, Ted. O'Shea.

Dear Mr. O'Shea:

Your communication of August 11th is at hand, and I thank you for your early reply; however, I do not seem to have made my problem clear.

There is no complaint now, nor has there ever been, regarding the clearance at the West End vs. the Arnett Theatre as far as we are concerned. I only cited that situation as an instance where the distributor is entirely fair with both exhibitors, allowing neither one nor the other an advantage in any way. This is in contrast to the Schine situation vs. Monroe and Madison where the distributor is showing preference by supplying the pictures to the four Schine houses ahead of the Madison and Monroe, with what appears to us to be unreasonable protection after their run.

Originally Schine Theatres were obliged to play Metro pictures within a period of 14 days, and if not so played, there was no further protection, and they became available to the Madison and Monroe. Now it is usually 21 to 28 days after the last Schine showing before the pictures can be shown at our theatres.

I do not want to annoy you or Messrs. Connors and Rodgers with our problems unnecessarily. I feel that our situation is one that requires more than casual observation, as it has been consistently growing worse through the advantages given Schine. When you consider the West End-Arnett as an example of fair impartial treatment, certainly the Schine-Madison-Monroe protection and clearance is a direct indication that the producer is playing with the big exhibitor and imposing a hardship on the little operator.

I hope you have a remedy, and I shall await your reply.

Very truly yours, Chester Fenyvessy.

Mr. Wm. F. Rodgers
Loew's Inc.

DEAR MR. RODGERS:

We have spoken to your Mr. Maw, regarding our desire to show some of your product, second run, day and date with your second run Rochester account.

That you may more clearly understand the local situation, we present herewith certain facts for your consideration.

The Little Theatre operates daily from 1 to 11 P. M., admission is 25¢ for matinees and 35¢ evenings for adults; 15¢ at matinees and 25¢ evenings for children. Our policy is single features exclusively. Each program plays a minimum of seven days, occasional features are held over indefinitely.

We have no premimum nor gambling nights. Since our opening in 1931, we have never deviated from this policy.

Due to our downtown location, single feature policy and admission (35¢ for one feature as against 40¢, the highest admission in Rochester for double features), we in no way interfere with second run theatres located in neighborhoods five miles from the Little Theatre, not connected with our locality by bus or street car. The second run houses are open evenings only (excepting on Saturday and Sunday), charging 25¢ for adults, 10¢ for children, present double bills entirely, have various gambling and premium nights.

[fol. 6419] Furthermore, we would select mainly the type features which usually attract little patronage in neighborhood theatres. We cater to an entirely different clientele, an exclusive and discriminating patronage.

Columbia Pictures Corporation served us with several of their outstanding releases, among them were "The Awful Truth", "Theodora Goes Wild", "Lost Horizon", "Pennies From Heaven", "Holiday", the Grace Moore features and "You Can't Take it With you". Some were played second run, day and date with Fenyvessy houses, others second run, day and date with Schine theatres. That the results were highly satisfactory to Columbia, you can no doubt readily verify.

May I suggest, therefore, that you give this matter serious thought. This account unquestionably would develop considerable additional revenue for Metro. In fact, having had no experience of any importance with the house, you would be agreeably surprised at the results with suitable second run product.

This revenue could be produced without interfering in any way with any of your other Rochester accounts, as this theatre is in a class by itself.

Trusting that we may hear from you regarding this matter at your convenience, I am,

Very truly yours, Mrs. Ben Belinson.

Sorry that I missed you when you were in New York, but I received your wire at Gloversville, N. Y., and letter.

As you know, for a number of years we have sold our second run product in Rochester to the Schine interests,—in fact, we have just negotiated another contract with the Schine interests for their subsequent run theatres in the city of Rochester, and therefore will be unable to offer you the run on our pictures in Rochester that you would like to have.

It is the policy of our company, as you know, to continue to solicit our present accounts in all situations.

J. W. Jenkins, Jr.

[fol. 6423] **Exhibit 812**

Agreement made this 11th day of September, 1941, by and between Hubert P. Wallace of the City of Auburn, New York, party of the first part, hereinafter called the "First Party," and Syracuse Strand Theatre Company, Inc., a New York State corporation with its principal office at 303 The Herald Bldg., 332 South Warren St., Syracuse, New York, party of the second part, hereinafter called the "Second Party";

Witnesseth: That

In consideration of the mutual promises hereinafter contained, the parties hereto agree as follows:

First: A new corporation with a capital of Twenty-five thousand dollars ($25,000.00) authorized to conduct a moving picture theatre will be formed. The charter of such corporation shall be satisfactory to Lyle Hornbeck, attorney for the First Party, and to Falk, Phillips, Twelvetrees & Falk, attorneys for the Second Party. Said corporation shall hereafter be sometimes referred to as the "operating company."

Second: Each of the parties hereto shall purchase fifty (50) shares of the authorized capital stock of the operating company for the sum of Five thousand dollars ($5,000.00) payable forthwith. The Second Party further agrees that if at any time before April 1, 1942 the First Party determines that the operating company needs additional capital and he is willing and able to contribute thereto an amount or amounts not exceeding in all Twenty-five hundred dollars ($2500.00), the said Second Party shall contribute such amount or amounts not exceeding in all Twenty-five hun- [fol. 6424] dred dollars ($2500.00) as the First Party contributes. Such contribution shall be a loan to the operating company. Neither of the parties hereto shall be required to make any additions to capital beyond the original Five thousand dollars ($5,000.00) after April 1, 1942 provided, however, that upon mutual agreement the parties hereto may make such further additions as they deem desirable.

Third: The operating company shall enter into a lease with the Second Party covering the Syracuse Strand Theatre in the City of Syracuse, New York on the following terms and conditions, and the said Second Party agrees to execute such lease. The term of said lease shall be five (5) years from September 20, 1941. Said lease shall provide for a minimum rental of Twenty thousand dollars ($20,000.00) per year, such minimum rental to be payable in twelve (12) equal monthly installments on the fifth day of each month beginning October 5, 1941, each payment to be for the month commencing the twentieth day of the preceding month.

In addition to such minimum annual rental the tenant shall pay to the landlord, as additional rent, fifty per cent (50%) of the first Fifteen thousand dollars ($15,000.00) of the net profits, as hereinafter defined, of said operating company, and in addition thereto sixty-six and two-thirds per cent (66⅔%) of the net profits of such operating company in excess of Twenty thousand dollars ($20,000.00) per annum. Such net profits shall be computed annually, and payments shall be made on or before October 10th in each year commencing October 10, 1942. Interim computa- [fol. 6425] tions and payments based on such estimated annual profits may be made more frequently when and as determined by the Board of Directors of the operating company, but a final settlement shall be made on or before the 10th day of October in each year as above provided when the annual profits are finally determined.

The operating company shall also have the option to renew such lease for an additional period of five (5) years provided that it shall have fully performed all the terms, covenants and conditions of its lease, and provided that notice of the exercise of such option shall be given to the landlord in writing on or before April 1, 1946. The minimum rental during such additional five (5) year period shall be Twenty-four thousand dollars ($24,000.00) per annum, and additional rentals shall be paid as above provided, i. e., fifty per cent (50%) of the first Fifteen thousand dollars ($15,000.00) of the net profits, as hereinafter defined, of said operating company, and in addition thereto sixty-six and two-thirds per cent (66⅔%) of the net profits of such operating company in excess of Twenty thousand dollars ($20,000.00) per annum.

Fourth: The First Party agrees with the Second Party to enter into a contract with the operating company to act as General Manager of such company during the life of the aforesaid lease, and such General Manager shall receive as compensation for his management services the following compensation: Fifty per cent (50%) of the First Fifteen thousand dollars ($15,000.00) of the net profits of said operating company and thirty-three and one-third per cent (33⅓%) of the net profits of said operating company [fol. 6426] over and above Twenty thousand dollars ($20,000.00) a year. Payment of such management fee shall be made on October 10th of each year commencing October 10, 1942, for the year ending the previous September 20th. Interim computations and payments based on such estimated annual profits may be made more frequently when and as determined by the Board of Directors of the operating company, but a final settlement shall be made on or before the 10th day of October in each year as above provided when the annual profits are finally determined.

Fifth: For the purpose of computing the additional rent as provided in paragraph "Third" hereof and the management fees as provided in paragraph "Fourth" hereof, the net profits of the operating company shall be the actual net profits of such corporation as determined by good accounting practice before the deduction of any Federal or State taxes based upon income, but after the payment of any bonus, not exceeding, however, ten per cent (10%) of the actual net profits, which may be paid to the Manager of the theatre (as distinguished from the General Manager of the corporation).

Sixth: The First Party shall have the option to purchase from the Second Party all of the Second Party's stock in the operating company. Such option may be exercised during the month of October 1942 or during the month of

October 1943. If such option is exercised during the month of October 1942, the First Party shall pay to the Second Party for such stock an amount equal to twice the profits of the operating company for the fiscal year 1941 or Ten thousand dollars ($10,000.00), whichever is greater. If [fol. 6427] such option is exercised during the month of October 1943, the price of such stock shall be the net profits for the fiscal years 1941 and 1942 or the sum of Ten thousand dollars ($10,000.00), whichever is greater. For the purposes of determining the price of such stock, in accordance with the provisions of this paragraph, the net profits of the corporation shall be the amount determined as provided in paragraph "Fifth" above and shall be the net profits without deduction therefrom for additional rent or management fees hereinbefore provided.

Seventh: In the event that the parties shall exercise the option hereinbefore contained the lease between the Second Party and the operating company hereinbefore provided shall be cancelled and terminated, and a new lease containing the same terms as the original lease shall be executed between the operating company and the Second Party except that said lease shall expire on the same date as the original lease, and the rental under such new lease shall be as follows: For the balance of the term ending September 20, 1946 the minimum rental shall be Twenty thousand dollars ($20,000.00), payable in twelve (12) equal installments in advance on the twentieth day of each and every month during the term of said lease, and in addition to the minimum rental the tenant shall pay to the landlord, on the thirtieth day of each month for the month ending on the preceding twentieth day of such month, an amount equal to the difference between such minimum rental and seventeen per cent (17%) of the income of such theatre from all sources whatsoever during the month ending on the preceding twentieth day of such month. The rent during the [fol. 6428] option period shall be at the rate of Twenty-four thousand dollars ($24,000.00) per annum together with such additional payments as may be necessary so that the landlord shall receive seventeen per cent (17%) of the gross income of such theatre as aforesaid, and payable as aforesaid.

Eighth: The directors of the operating company shall be as follows: Charles F. Carr, Lyle W. Hornbeck, William

Coombs, Stanley G. Falk, Hubert P. Wallace and Anne M. Wallace.

The officers of the operating company shall be as follows: Charles F. Carr, Lyle W. Hornback, William Coombs, Vice-President and Lyle W. Hornbeck, Secretary.

H. P. Wallace. (L. S.) Syracuse Strand Theatre Company, Inc., by Stanley G. Falk, Pres. (Seal.)

[fol. 6429] This lease made and entered into this 11th day of September, 1941 by and between Syracuse Strand Theatre Company, Inc., a New York corporation with its principal office and place of business in the City of Syracuse, County of Onondaga and State of New York, hereinafter called the "Landlord," and Syracuse Community Theatre Corporation, a New York corporation with its principal office and place of business in the City of Syracuse, County of Onondaga and State of New York, hereinafter called the "Tenant";

Witnesseth:

First: The Landlord for and in consideration of the rents, covenants, conditions and agreements hereinafter expressed on the part and behalf of the Tenant to be kept and performed has demised and leased, and by these presents does demise and lease unto the Tenant, and the Tenant does hereby hire and take from the Landlord, all the real property and the building thereon erected known as the Syracuse Strand located at 501 South Salina Street, Syracuse, New York, together with all appurtenances, entrances, exits, passageways, alleys, courtways and easements belonging to or appertaining thereto, or used in connection therewith, together with all furniture, furnishings and other personal property and all fixtures and equipment upon or in said premises or used in connection therewith.

A schedule of such furniture, furnishings and other personal property is attached hereto, made a part hereof and marked Schedule "A". A description of the land upon which said theatre is located is as follows:

> [fol. 6430] All That Tract or Parcel of Land, situate in the City of Syracuse, Onondaga County, New York, being part of Block Number One Hundred Forty-Two (142) of said City, situate at the northwest corner of said Block and being two (2) chains and nine (9) links on Harrison Street by four (4) rods on Salina Street, the south line thereof being parallel with the north line thereof and the east line thereof being parallel with Warren Street.
>
> Also All That Certain Piece or Parcel of Land, situate in the City of Syracuse, Onondaga County, New York, being part of said Block One Hundred Forty-Two (142) bounded and described as follows, viz: Being that north division of Lot "A" in said Block One Hundred Forty-Two (142) commencing in the easterly line of South Salina Street at a point where the north line of said Lot "A" (according to a map of the Village of Syracuse made by John Lathrop) touches said street; thence easterly along said line one hundred and seventeen (117) feet; thence southerly twenty-seven (27) feet along the line which divided said Lot "A" from Lot Number Three in said Block; thence westerly about one hundred and eight (108) feet by a line nearly parallel with the north line of said Lot "A" to a point in the easterly line of Salina Street twenty-eight (28) feet from the place of beginning; thence northerly along the easterly line of South Salina Street twenty-eight (28) feet to the place of beginning.

All the foregoing real property, buildings, appurtenances, fixtures and equipment demised by this lease are hereinafter sometimes called "the demised premises." All the foregoing furniture, furnishings and other personal property demised by this lease are hereinafter sometimes called "the personal property."

Second: The term of this lease is for five (5) years commencing on September 20, 1941 and ending on September 20, 1946 at 8 o'clock in the forenoon unless sooner terminated as herein provided, for which the Tenant covenants and agrees to pay the Landlord as a partial minimum rent the sum of One hundred thousand dollars ($100,000.00) payable in sixty (60) equal monthly payments on the fifth [fol. 6431] day of each and every month in advance during the said term beginning October 5, 1941, each payment to be for the month commencing the twentieth day of the preceding month, at the office of Clinton S. Carr, 332 South Warren Street, Syracuse, New York, or such other place as the Landlord shall designate in writing to the Tenant.

As additional rent the Tenant covenants and agrees to pay to the Landlord a sum equal to fifty per cent (50%) of the first Fifteen thousand dollars ($15,000.00) of the Tenant's net profits from the operation of the theatre on the demised premises and also a sum equal to sixty-six and two-thirds per cent (66⅔%) of the net profits from such operation as hereinafter defined in excess of Twenty thousand dollars ($20,000.00) per annum. Such net profits shall be computed annually, and payments shall be made on or before October 10th in each year commencing October 10, 1942. Interim computations and payments based on such estimated annual profits may be made more frequently when and as determined by the Board of Directors of the Tenant, but a final settlement shall be made on or before the 10th day of October in each year as above provided when the annual profits are finally determined.

The Landlord covenants and agrees that if this lease is not terminated, as herein provided, and if the Tenant shall during the whole of said term well and faithfully keep and perform the covenants and conditions in this lease contained on its part to be performed, the Landlord will, at the option of the Tenant, extend the term of this lease for a further [fol. 6432] period of five (5) years to commence on the expiration of the term hereby granted on all the terms, covenants and conditions herein contained, except that during said period commencing September 20, 1946 and ending on September 20, 1951 at 8 o'clock in the forenoon, the minimum rental shall be One hundred twenty thousand dollars ($120,000.00) payable in sixty (60) equal monthly payments on the fifth day of each and every month in advance during the said term beginning October 5, 1946, each payment to be for the month commencing the twentieth day of the preceding month, provided that the Tenant shall give the Landlord notice of the exercise of this option in writing on or before April 1, 1946.

As additional rent the Tenant covenants and agrees to pay to the Landlord during the period for which this lease may be extended a sum equal to fifty per cent (50%) of the first Fifteen thousand dollars ($15,000.00) of the Tenant's net profits from the operation of the theatre on the demised premises and also a sum equal to sixty-six and two-thirds per cent (66⅔%) of the net profits from such operation as hereinafter defined in excess of Twenty thousand dollars ($20,000.00) per annum. Such net profits shall be computed annually, and payments shall be made on or before October 10th in each year commencing October 10, 1947. Interim computations and payments based on such estimated annual profits may be made more frequently when and as determined by the Board of Directors of the Tenant, but a final settlement shall be made on or before the 10th day of October in each year as above provided when the annual profits are finally determined.

[fol. 6433] For the purpose of computing the additional rent as hereinbefore provided, the net profits of the Tenant shall be the actual net profits of such corporation as determined by good accounting practice before the deduction of the management fee and of any Federal or State taxes based upon income.

Third: The Tenant shall have the right to use the demised premises during the term of this lease for theatrical purposes and for all forms of public entertainment and for all purposes incidental thereto and for such activities in connection therewith as are or shall be customary and usual, all to be conducted in a proper and lawful manner.

Fourth: The Tenant covenants and agrees to cause said theatre to be operated and open to the public during the usual hours for public performances not less than forty-two (42) weeks in each year during the entire term of this lease.

Fifth: The Tenant agrees throughout the term of this lease that it will pay, or cause to be paid, all charges against the demised premises for heat, water, gas and electricity. The Tenant further agrees to keep all rules and regulations of the local water supply, gas and electric companies supplying said premises with water, gas and/or electricity.

Sixth: The Tenant further covenants and agrees to take good care of the premises and appurtenances, and to keep the interior thereof, in good repair during said term without cost to the Landlord, and to make all repairs and replacements to the woodwork, ceilings, paper, glass, plumbing, [fol. 6434] plumbing works, pipes, heating plant, radiation, heating fixtures and all other equipment, apparatus and appurtenances used in connection with the leased premises, and to take reasonable care that no damage happens to said premises or to any appurtenances or fixtures therein, and at all times to keep, maintain and use said premises, making at its own expense any and all alterations, additions and improvements required, so as to comply with all of the Federal, State and Municipal laws, regulations and ordinances, and the laws, rules, orders, ordinances and regulations of the several local departments and bureaus having jurisdiction over and in the use and occupancy of said premises as the same now exist, or as the same may be made or changed from time to time during the term of this lease. It is agreed, however, that nothing in this instrument contained, however, shall be construed to require the Tenant to make structural changes.

Seventh: The Tenant further agrees that it will, at its own proper costs and charges, keep the building situate on the premises and all appurtenances thereunto belonging and the sidewalks, steps and excavations under the sidewalks, and any alley or alleys adjoining said premises, in a clean and safe condition, and will conform to all municipal ordinances or laws of the City of Syracuse, and all other ordinances and laws affecting said premises and the sidewalks, streets and alleys in front of and around said premises, and that it will keep and save the Landlord forever harmless from any penalty or damage or charges imposed for any violation of any of the said ordinances or laws, and the Tenant will indemnify, save and keep harmless the Landlord from any loss, cost, damage and expense [fol. 6435] arising out of any accident or other occurrence causing injury to any person or property whomsoever and whatsoever, and due directly or indirectly to the use of the premises, or any part thereof, by the said Tenant or any person or persons claiming under it.

Eighth: The Tenant further covenants and agrees to take out and keep in force during the term of this lease, at its own cost and expense, a policy or policies of public liability insurance insuring the Landlord and the Tenant, as their respective interests may appear, against damage or liability arising out of injury to or the death of any one or more persons, in limits of not less than Fifty thousand dollars ($50,000.00) for one person or One hundred thousand dollars ($100,000.00) for more than one person.

Ninth: The Tenant further agrees that it will at all times promptly comply with and execute all rules, orders and regulations of the Board of Fire Underwriters and fire insurance companies, and to extinguish all "faults" which may hereafter develop affecting insurance rates of the premises occupied by the Tenant,—the intention of the aforesaid covenants in relation to fire insurance being to obtain the most favorable rate of insurance for the said premises and the contents thereof customarily granted in such instances where the Board of Fire Underwriters and standard fire insurance companies have no "fault" (so-called) against such premises or its contents.

Tenth: In the event of default by the Tenant of any [fol. 6436] covenant or agreement dealing with the Tenant's obligation to repair and maintain the premises or its fixtures and appurtenances, the Landlord may serve a written notice upon the Tenant, stating the facts which it claims to be a violation of the terms of this lease, and requiring the Tenant to comply with said covenant or agreement immediately thereafter. If the Tenant fails so to do, the Landlord may, without notice to said Tenant, exercise its option to terminate this lease or cause this lease to expire as herein provided, or the Landlord may elect to perform in such case or cases defaulted in by said Tenant in which event the Tenant hereby agrees to reimburse the Landlord for any expense so incurred and which said amount is to be added to and became a part of the following month's rent, the same as if such had been reserved herein to the said Landlord as rental. The Landlord reserves the same rights and remedies to enforce the collection thereof as it may employ in case of default in the payment by the Tenant of the rent first reserved hereunder.

Eleventh: It is understood and agreed that the personal property listed on Schedule "A" attached hereto, belongs to the Landlord. The Tenant leases said personal property in its present condition and shall have the right (but shall not be obligated) to remove, sell or otherwise dispose of any of the personal property and equipment, except any parts of the organ, which have become unfit for satisfactory use through age, change of conditions or obsolescence. The Tenant agrees to make any replacements of such personal property and equipment so disposed of which it shall deem necessary for its operation of the theatre. Any replacements made by the Tenant to the personal property and [fol. 6437] equipment which is now the property of the Landlord shall become the property of the Landlord at the expiration of the term of this lease. Any personal property and equipment which may be installed from time to time during the term of this lease by the Tenant in addition to, and not in substitution for any personal property and equipment owned by the Tenant and listed on Schedule "A," shall remain the property of the Tenant and may be removed from the demised premises by the Tenant at any time before or at the termination of this lease, the Tenant making good any and all damages to the demised premises by reason of such removal.

Twelfth: The Tenant further covenants and agrees (a) not to assign or mortgage this lease, or any interest therein, not to interfere in any manner with this lease, or any interest therein, nor to let, sell or underlet the said premises, or any part thereof, or the possession thereof, for the whole or any part of the same term; (b) not to leave the premises vacant during the term.

Thirteenth: The Tenant covenants and agrees that in the event of default in the payment of rent, or in the payment of any other charge hereby covenanted to be paid, or in the event of default in the performance of any of the covenants or conditions contained in this lease, or in the event that the demised premises shall be abandoned or shall become vacant during the demised term, or in the event that said premises are used for any other purpose than the purpose permitted by this lease, or in the event that the premises are used for any other purpose than a lawful business purpose, or in the event that the Tenant shall assign, transfer, [fol. 6438] make over or mortgage this lease by operation of law or otherwise, or let or underlet the whole or any part of the demised premises contrary to the provisions of this lease, or make any alterations or additions therein, without the consent of the Landlord, in writing first having been obtained, or in the event that the Tenant shall become insolvent or bankrupt or seek relief under any provisions of the Federal Bankruptcy Act, as amended, or shall make an assignment for the benefit of creditors, or in the event that a petition in bankruptcy is filed by the Tenant or that the Tenant is adjudicated bankrupt in any involuntary proceedings, at any time, or in the event that a receiver of the Tenant's property or business is appointed at any time, in any proceedings, or in the event that any execution or attachment shall issue against the Tenant or its property, whereby the demised premises shall be taken of this lease or the rights of the Tenant thereunder shall be levied upon or sold or advertised for sale on execution or other legal process, or in the event that this lease shall pass by operation of law or otherwise to any person other than the Tenant, or in the event that the Tenant encumber this lease by a mortgage, or in any other manner, then, and in any or either of said events, the Landlord may re-enter and re-occupy the demised premises and remove all persons therefrom, either by suitable action or proceedings at law, by force or otherwise, without any liability to prosecution or damages therefor, or the Landlord may elect to and may make any payment which the Tenant should have made, in which event the Tenant hereby agrees to reimburse the Landlord for any expense so incurred as herein provided, or the Landlord may at its option give to the Tenant written notice by registered mail, of its election to end [fol. 6439] the term hereby demised on the day specified in such notice, which day shall be five (5) days from the day of mailing said notice, and thereupon the term hereby demised shall expire on the day so fixed with the same force and effect as if said day were specified in this lease as the date for the expiration of the term hereby demised, and all right of occupation on the part of the Tenant, its successors and assigns, shall cease and end on said day, and the Tenant covenants and agrees that it will thereupon quit and surrender the demised premises to the Landlord. The Tenant hereby expressly waives any and all right to other notice of intention to re-enter or to end the term hereby granted under any law or statute or otherwise. It is hereby expressly agreed, however, that no act or thing done by the Landlord or its agents during the term hereby granted shall be due expression of its election or acceptance of a surrender of said premises, and that no election, or agreement to accept a surrender of said premises shall be valid unless the same be made in writing, signed by the Landlord or its duly authorized agent.

Fourteenth: The Tenant covenants and agrees that in the event of and notwithstanding re-entry or repossession of the premises by the Landlord, or in the event and notwithstanding the Tenant shall be dispossessed by summary proceedings, the Landlord may at its election re-let the demised premises, or any part thereof, for the whole of the balance of the term, or such portions thereof from time to time as opportunity may offer and as the Landlord may deem expedient, as the agent and for the account of the Tenant or otherwise, and apply rents received from any [fol. 6440] such re-letting first, to the payment of such expenses as the Landlord may be put to in re-entering or in re-possessing said premises, and then to the payment and the fulfillment of the Tenant's covenants, conditions and agreements under this lease, the balance, if any, to be paid over to the Tenant, who shall notwithstanding such re-entry or re-possession by the Landlord remain liable for the rent reserved by this lease and for the performance of all covenants, conditions and agreements herein contained. The Tenant covenants and agrees that the Landlord shall in no event be liable in any way whatever for failure to re-let the demised premises or in the event said premises be re-let, for failure to collect the rent therefor under such re-letting; and that the Tenant will be liable for any deficiency of rent which may arise during the remainder of the term as damages for the breach of any of the covenants, conditions or agreements of this lease in addition to other damages sustained by the Landlord thereby, and shall pay the same to the Landlord upon the rent days above provided as the amount thereof shall at such time or times be ascertained.

Fifteenth: The Tenant further covenants and agrees that acceptance by the Landlord of any sums, either for rent or use and occupancy of the whole or any part of the leased premises from anyone other than the Tenant personally, shall not be a waiver of any of the Landlord's rights and remedies under this lease. The Tenant further covenants and agrees that no waiver or act which shall amount to a waiver by the Landlord in any instance shall operate as a waiver of any provisions of this lease, except for that instance alone, and that no waiver or waivers shall [fol. 6441] be construed or thereafter be deemed as continuing or be set up as such by the Tenant, and that the receipt of any rent hereunder or any portion thereto shall not be deemed to operate as a waiver of the right of the Landlord to enforce the payment of rent previously due or rights hereunder reserved to it for breaches of any of the covenants, conditions or agreements herein contained occurring prior to such receipt.

Sixteenth: The Tenant expressly waives, forfeits and surrenders any provision of law, now in force or which may hereafter be enacted, giving the Tenant the right, under any conditions, after default, to the redemption and repossession of the leased premises, or any part thereof, and releases the Landlord from the operation of any such provision.

Seventeenth: The Tenant hires said premises, after examination and without any representations on the part of the Landlord, and no representative or agent of said Landlord is authorized or permitted to make any representations in reference thereto or to vary or modify this agreement in any way. This instrument contains all the agreements and conditions made between the parties hereto. Any additions to, or alterations or changes in this contract, or other agreements hereafter made or conditions created to be binding, must be in writing signed by both parties, and it is agreed that this provision cannot be waived except by writing duly signed by the parties hereto.

Eighteenth: It is hereby agreed that the sending of a written notice and/or demand by registered mail, postage [fol. 6442] prepaid, and addressed to the Tenant at the premises herein demised shall be sufficient notice and/or demand in any case arising under this lease.

Nineteenth: The Tenant shall, in case of fire, give immediate notice thereof to the Landlord. If the premises shall be partially damaged by fire, the same shall be repaired, at the Landlord's expense, as speedily as practicable, due allowance being made for the time taken for the settlement of fire insurance claims and otherwise. The rent hereunder shall not cease, unless the damage shall be so extensive as to interfere with the use of the premises, in which event the rent shall abate proportionately until such time as the demised premises shall be tenantable. In the event of the total destruction of the building, including the demised premises, by fire, or otherwise, or in case the same shall be so damaged, or injured, by fire that the Landlord shall deem it necessary to rebuild the same, then the rent shall be paid up to the time of such destruction, and then and from thenceforth this lease shall cease and come to an end.

Twentieth: The Tenant covenants and agrees that in addition to the other rights and remedies herein provided for, or which the Landlord may have at law or in equity, the Landlord shall have the right to enforce any and all covenants, conditions and agreements contained in this lease by injunction, and that the Landlord shall not be precluded from obtaining any remedy which it would otherwise have by reason of the specification herein of any particular remedy for a specific breach of the covenants, conditions, [fol. 6443] agreements or provisions of this lease.

Twenty-first: In order to induce the Tenant to enter into this lease and in consideration for so doing, the Landlord represents, warrants, covenants and agrees that it has full right and authority to make and enter into this lease; that it is the tenant under a certain lease dated December 13, 1913 between Thomas F. Anderson, as landlord, and Mitchel H. Mark, as tenant, the interest of the tenant under such lease having been assigned to the Landlord; that at the time of the commencement of this lease there will be no default by the Landlord as the tenant under said underlying lease and that this lease is a lien on the demised premises subject only to the lien of said underlying lease; that during the term of this lease, the Landlord will fully observe and perform and comply with all the terms, covenants and conditions on its part to be observed, performed and complied with, pursuant to the provisions of said underlying lease.

The Tenant takes the demised premises subject to the terms, covenants and conditions of said underlying lease. If the Landlord shall fail to perform any of the terms, covenants and conditions on its part to be performed under the underlying lease, the Tenant shall have the right, at its option, to make good any such default and to advance any and all sums which may be required to make good such default, and the Landlord agrees forthwith to repay to the Tenant any and all sums so advanced together with interest thereon at the rate of six per cent (6%) per annum, and in the event of the failure of the Landlord so to do, the Tenant [fol. 6444] shall have the right from time to time, to deduct the amount of any such advance together with interest as aforesaid, from the rent or any other sum payable to the Landlord under this lease.

The Landlord covenants and agrees to immediately deliver to the Tenant, any notice of default received by the Landlord from the landlord under the underlying lease.

Twenty-second: In the event that Hubert P. Wallace shall become the owner of all the outstanding stock of the Tenant-corporation by virtue of an option, which he has, to purchase fifty per cent (50%) of the outstanding stock of the Tenant-corporation, then and in that event this lease shall be cancelled, and the Landlord and the Tenant covenant and agree to enter into a new lease for the unexpired portion of the term, all of the terms, covenants and conditions in this lease, including the option to extend the same for an additional period of five (5) years, to be incorporated in such new lease, but the rental in said new lease shall be as follows: For the period ending September 20, 1946 a minimum rental of One thousand six hundred sixty-six dollars and sixty-six cents ($1,666.66) a month payable on the fifth day of each month in advance for the month commencing on the twentieth day of the previous calendar month, and in addition to such minimum rental the Tenant shall pay to the Landlord, on the thirtieth day of each month for the month ending on the preceding twentieth day of such month, an amount equal to the difference between such minimum rental and seventeen per cent (17%) of the [fol. 6445] income of such theatre from all sources whatsoever during the month ending on the preceding 20th day of such month. During the period commencing September 20, 1946 and ending September 20, 1951, in the event that such lease is extended in accordance with the terms thereof, the minimum rental shall be Two thousand dollars ($2,000.00) per month payable on the fifth day of each month in advance for the month commencing on the twentieth day of the previous calendar month, and in addition to such minimum rental the Tenant shall pay to the Landlord, on the thirtieth day of each month for the month ending on the preceding twentieth day of such month, an amount equal to the difference between such minimum rental and seventeen per cent (17%) of the income of such theatre from all sources whatsoever during the month ending on the preceding twentieth day of such month.

Twenty-third: The Landlord covenants and agrees that the Tenant on paying the rent herein reserved and performing the terms, covenants and conditions on the part of the Tenant to be kept and performed hereunder, shall and may peaceably and quietly have, hold and enjoy the demised premises and the personal property and equipment for the term aforesaid, free from molestation, eviction or disturbance by the Landlord or by any person claiming, by, through or under the Landlord.

Twenty-fourth: It is further agreed that the covenants herein shall apply to and bind the respective successors, legal representatives or assigns of the Landlord and Tenant.

[fol. 6446] In witness whereof, the parties hereto have caused their respective corporate seals to be hereunto affixed, and these presents to be signed by their duly authorized officers, the day and year first above written.

Schwartz, his wife and Charles J. Schwartz, hereinafter called the "Stockholders," parties of the third part,

Witnesseth:

The Lessor represents and warrants that it is the owner in fee of those certain premises located in the City of Lexington, Fayette County, State of Kentucky, known as the "Opera House," and located at 143 North Broadway, Lexington, Kentucky, more particularly described in the lease executed concurrently with this agreement, together with all furniture, fixtures, personal property and equipment of every kind and nature now used or located therein.

The Lessor has been conducting in and about said premises the business of operating a motion picture theatre and desires to sell the business and good-will thereof unto the Lessee upon the terms and conditions hereinafter set forth. [fol. 6457] The Stockholders own all but three shares of the total outstanding capital stock of the Lessor and join this agreement for the purpose of inducing the Lessee to lease the said theatre.

In consideration of the premises and of the mutual covenants, promises and agreements herein contained, the parties hereto have agreed and do hereby agree as follows:

1. The Lessor hereby grants, sells, assigns and transfers unto the Lessee absolutely and forever the entire and complete business and good-will of the motion picture, theatrical, amusement and exhibition business, heretofore conducted by the Lessor in the City of Lexington, Kentucky, and specifically in the theatre known as the "Opera House", Lexington, Kentucky.

2. In order to effectuate the foregoing sale, the Lessor and the Lessee have concurrently herewith executed a lease from the Lessor unto the Lessee, under which the Lessor has demised and leased unto the Lessee those certain premises known as the "Opera House", 143 Broadway, Lexington, Kentucky, more particularly described in said lease, together with the furniture, fixtures, equipment and any and all personal property of any and every kind and nature now located or used therein, upon terms and conditions set forth in said lease, for a term of fifteen (15) years, each [fol. 6458] and every term and provision of which said lease is hereby made a part hereof as if herein set forth at length.

3. In order to induce the Lessee to make and enter into this agreement, and make and enter into the lease provided

for under the terms hereof, the Lessor and the Stockholders hereby jointly and severally covenant to and with the Lessee as follows:

The Lessor and the Stockholders jointly and severally agree to and with the Lessee that they will not, nor will any one or more of them, for and during a period of fifteen (15) years from and after the date hereof, be or become engaged in or participate or have any interest of any nature whatsoever in, the motion picture, theatrical or amusement business in the capacity of owner, employee, partner, stockholder or in any other manner whatsoever, either directly or indirectly, in any town or city in the State of Kentucky, in which the Lessee or any of its affiliated or associated companies are now engaged in business, provided, however, that this covenant shall not prevent the Lessor or the Stockholders from investing in stocks or securities listed upon any recognized stock exchange.

4. In full consideration of and payment for the sale of the said business and good will and the making of the lease herein provided for, and all of the other covenants and [fol. 6459] agreements of the Lessor and the Stockholders herein set forth, the Lessee agrees to pay unto the Lessor the sum of Twenty-two thousand five hundred dollars ($22,500), payable as follows:

Ten thousand dollars ($10,000) by depositing the same in escrow with the First National Bank & Trust Company of Lexington, Kentucky, upon the execution hereof, to be paid over unto the Lessor on the 14th day of October, 1939 upon delivery by the Lessor to the Lessee of possession of the said demised premises.

Five thousand dollars ($5,000) six (6) months after the date hereof, which said payment shall be represented by the promissory note of the Lessee, endorsed by Phoenix Amusement Company, a Kentucky corporation, bearing interest at the rate of six per cent (6%) per annum and payable at the First National Bank & Trust Company of Lexington, Kentucky.

Seven thousand five hundred dollars ($7,500) twelve (12) months after the date hereof, which said payment shall be represented by the promissory note of the Lessee, indorsed by Phoenix Amusement Company, a Kentucky corporation, bearing interest at the rate of six per cent (6%) per annum and payable at the First National Bank & Trust Company of Lexington, Kentucky.

In Witness Hereof, the undersigned have duly executed these presents under seal this 15th day of September, 1939.

Exhibit A

This indenture of lease, made and entered into this the 22nd day of April, 1939, by and between Mary T. Kelly, a single woman, of Paris, Bourbon County, Kentucky, hereinafter called the lessor, and Harry Schwartz, of Lexington, Fayette County, Kentucky, hereinafter called the lessee.

Witnesseth: That the said lessor, in consideration of the rents and covenants hereinafter stipulated to be paid and performed by the lessee, does hereby demise, let and lease unto the said lessee, for a period of twenty (20) years, commencing June 1st, 1939, and ending June 1st, 1959, the following described property, located in the City of Paris, Bourbon County, Kentucky, and more particularly described as follows:

A certain lot of land situated in said City of Paris, Kentucky, fronting thirty-five (35) feet, more or less, on Chestnut Street (now Seventh Street), and lying and being on the East or North-east side thereof, between Main and High Streets, and running back between parallel lines in a Northerly direction a distance of thirty (30) feet, more or less, to and adjoining the lot of the said lessor now under lease by her to L. B. Baldwin. The above described lot is bounded on one side by the property of L. B. Baldwin and Grover C. Baldwin, and on the other side by the property of Miss Addie Harrison.

The said premises hereby leased are to be used by the lessee in connection with the Grover C. Baldwin property now under lease to him, for the operation of a motion [fol. 6476] picture theater, or for such other lawful purpose, or purposes, as said lessee in his discretion may desire.

The lessee agrees to pay to the lessor, for the premises hereby leased, an annual rental of Three Hundred Dollars ($300.00), payable in equal monthly installments of Twenty-Five Dollars ($25.00) per month in advance, on the first of each and every month during the term of this lease.

Said lessee does hereby further agree to pay all taxes assessed against said premises, also the insurance, repairs and upkeep on any buildings or improvements made by him on the leased premises, and any and all other expenses necessary or incidental to his operation of any business on the said premises, during the period of this lease.

Said lessee further covenants and agrees to pay said rent, together with taxes and insurance and other expenses, at the time and in the manner prescribed in the lease; and to use the premises in a safe, careful and proper manner.

In the event said lessee fails to pay said rent for a period of sixty (60) days after the same shall become due and payable, or upon the breach of any of the covenants herein contained, then lessor may terminate this lease and re-enter said premises and take possession of same, provided the lessor shall not be prejudiced as to any rights she may have for unpaid rental by so taking possession of said premises. In case of such default in payment of rent and the re-entry of lessor, said lessor agrees to relet said premises to Grover C. Baldwin for the remainder of the term upon the same [fol. 6477] terms and conditions as stated and contained herein, if he desires to exercise such a privilege; otherwise, said lessor may relet said premises for the remainder of the term for the highest rent obtainable and may recover any deficit from the lessee.

Lessee further covenants and agrees that in the event any building, or buildings, are erected or constructed on the premises herein leased, the same shall conform to the building and fire ordinances and regulations of the City of Paris, Kentucky.

Lessor hereby covenants and agrees with said lessee that said lessee shall have the peaceable and quiet enjoyment of said premises during the term of this lease, provided that said lessee keeps and performs said covenants herein contained.

During the continuance of this lease, the lessee may from time to time change or alter any of the improvements that may hereafter be located upon said premises, or may make any improvements upon said premises, in any manner in which said lessee may from time to time desire, provided said changes or alterations shall not lessen the value of said premises.

A lien is hereby reserved to said lessor upon all of the estate of the lessee hereby granted, and upon all of the improvements now or hereafter located on said premises, to secure the payment of the rents and performance of the covenants herein contained.

It is further agreed that the buildings and other improvements which may be erected on the premises hereby leased shall remain and become the property of the lessor at the termination of this lease.

[fol. 6478] All of the covenants, agreements and conditions of this lease shall inure to and be binding on the heirs, successors, personal representatives and assigns of the parties hereto.

In testimony whereof the parties have hereunto affixed their signatures in duplicate to this instrument on the day and year first above written.

Mary T. Kelly, Harry Schwartz.

STATE OF KENTUCKY,
County of Bourbon.

I, Lillian Hough, a Notary Public in and for the State and County aforesaid, do hereby certify that on this day personally appeared before me in said County Mary T. Kelly, a single woman, and Harry Schwartz, who acknowledged that they did sign the foregoing lease, and that the same is their free act and deed, for the uses and purposes therein set forth.

My commission expires May 22, 1942.

Given under my hand and seal of office this the 22 day of April, 1939.

Lillian Hough, Notary Public, Bourbon County, Kentucky. (Seal.)

[fol. 6479] EXHIBIT B

This Indenture, made and entered into this 2nd day of November, 1938, by and between Grover C. Baldwin and his wife, Gladys Talbott Baldwin, of Paris, Bourbon County, Kentucky, hereinafter called lessor, and Harry Schwartz, of Lexington, Fayette County, Kentucky, hereinafter called lessee,

Witnesseth: That said lessor in consideration of the rents and covenants hereinafter stipulated to be paid and performed by the Lessee, does hereby demise, let and lease the following described property located in the City of Paris, Bourbon County, Kentucky, and more particularly described as follows, to-wit:

A certain storeroom and lot of ground, upon which it stands, situated on the West side of Main Street in the City of Paris, Kentucky, at the intersection of Main and Seventh (formerly Chestnut) Streets, fronting on Main Street 30 feet and extending back therefrom with Seventh (formerly Chestnut) Street 90 feet of uniform width throughout.

Being a part of the same property conveyed to Grover C. Baldwin by L. B. Baldwin by deed dated September 12, 1930 and of record in Deed Book 115, page 293 in the office of the clerk of the Bourbo County Court.

The said premises are to be used by the lessee for the construction and operation of a motion picture theatre and for such other purpose or purposes as said lessee may, in his discretion, desire for a period of twenty (20) years from the date hereof for an annual rental of Two Thousand Six Hundred and Forty ($2640.00) Dollars, to be paid in [fol. 6480] equal monthly installments of Two Hundred and Twenty ($220.00) Dollars each, on the first day of each and every month during said term beginning, however, on March 1, 1939. Said lessee does hereby covenant and agree with said lessor to pay said rent at the time and in the manner aforesaid and to use said premises in a careful, safe and proper manner.

In the event said lessee fails to pay said rent for a period of sixty (60) days after the same shall become due and payable, or upon the breach of any of the covenants herein contained then lessor may terminate this lease and re-enter said premises and take possession of same, provided the lessor shall not be prejudiced as to any rights he may have for unpaid rental by so taking repossession of said premises. In case of such default in payment of rent and the reentry of lessor, said lessor may relet said premises for the remainder of the term for the highest rent obtainable and may recover any deficit from the lessee.

Lessor hereby covenants and agrees with lessee that the said lessee shall peacefully and quietly enjoy said premises during the term of this lease, provided that the said lessee keeps and performs the covenants and conditions herein contained.

Lessor agrees to pay State, County and City taxes on the property herein described and lessee agrees to pay all excise and license taxes necessary or incidental to the operation of said business on said property for any purpose or purposes. Lessee further agrees to pay for all water, gas, electric, janitor services and any other expenses necessary or incidental to his operation of any business on the property hereinbefore described.

[fol. 6481] During the continuance of the lease the lessee may from time to time change, alter or add to the improvements now or hereafter upon said premises in any manner in which said lessee may from time to time desire, provided always that said changes or alterations shall not lessen the value of improvements on said premises.

Said lessor hereby covenants and agrees that during the continuance of this lease he will, at his own expense, insure and keep insured against fire the improvements located on the property hereinbefore described in the sum of Fourteen Thousand ($14,000.00) Dollars. In the event the lessee so alters said premises that additional insurance may be desired or required, then and in that event lessor agrees to increase the amount of insurance and the lessee is to pay the premiums for all of such increased insurance over and above the said Fourteen Thousand ($14,000.00) Dollars, and in the event of loss by fire the lessee shall be entitled to be compensated by any insurance company or companies only in the proportion that the sum or sums of money he has advanced to lessor for premiums bears to the total amount of premiums paid.

A lien is hereby reserved to said lessor upon all of the estate of the lessee hereby granted and upon all improvements now or hereafter on said premises to secure the payment of rent and the performance of the covenants herein contained.

Provided further that in case said premises, without fault or negligence of the lessee, shall be so injured by the elements or by fire or other causes as to be unfit for occupancy [fol. 6482] then the proceeds from any insurance policy or policies shall be used for the purpose of defraying any or all expense incurred to replace said premises in substantially the same condition as they were prior to said casualty. In the event that the proceeds from any such policy or policies are not sufficient to restore said premises then at the option of the lessee all of the proceeds available shall be used for the purpose of reconstructing said premises and said lessee shall, at his own expense, defray the additional costs necessary to replace said building in substantially its original condition. In the event that the proceeds from said insurance policy are not sufficient to defray the expense of reconstructing said premises and the lessee does not elect to pay the difference between the total costs of reconstruction and the proceeds available, within sixty (60) days thereafter, then and in that event this lease shall be cancelled and all of the proceeds from said policy or policies shall become the property of the lessor.

Lessee shall be liable for the payment of all rent up to and including the time when said casualty, if any occurs, but shall not be liable for the payment of any rental between the date of such casualty and the time when said building has been so repaired or rebuilt so as to be fit for occupancy.

In the event that the lease is cancelled because of such casualty the lessee shall be liable for rent until the date of same.

All of the agreements, covenants and conditions of this lease shall inure to and be binding upon the heirs, successors, personal representatives and assigns of the parties hereto.

In witness whereof the parties have hereunto affixed their [fol. 6483] signature in duplicate to this instrument this the day and year first above written.

Grover C. Baldwin, Gladys Talbott Baldwin, Harry Schwartz.

State of Kentucky,
County of Bourbon:

I, Mabel Stone, Notary Public in and for the State and County aforesaid, do hereby certify that the foregoing Lease from Grover C. Baldwin, etc. to Harry Schwartz was this day produced before me in my office and signed by Grover C. Baldwin, Gladys Talbott Baldwin and Harry Schwartz and acknowledged by each of them to be their act and deed for the purpose therein set forth.

In testimony whereof, witness my hand and official seal this the 2nd day of November, 1938.

Gentlemen:

This letter is to advise you that I am interested in buying the 1934-1935 product from your Company second run in Watertown for my Theatres.

No doubt you are aware of the fact that during the seasons of 1931 to 1933 I only bought second run in Watertown. Last year I made an attempt to buy second run but I was unable to secure same for the reason your Company sold the second runs away.

Kindly advise me by return mail when I may expect your representative to call on me with reference to negotiating a deal on your product second run in Watertown.

Yours very truly, —— ——, Manager.

I am a citizen of the United States and reside in the City of Watertown, New York.

I have been in the theatre business in the City of Watertown, New York, for the past twenty years. A great portion of that time I have been operating, and still operate, two theatres in opposition to the Schine theatres in that City, and during the entire period I never experienced any unpleasantness, and at no time have I had any difficulty in obtaining the pictures I wanted to buy. I have always found that their theatres were conducted in a businesslike manner and on a fair competitive basis.

Hon. Francis B. Burns, Mayor and Common Council,

GENTLEMEN:

At a public auction held in the Council Chambers, City Hall, August 15, 1940, the following bids were received:

- MacNaughton Public Market Lease, $1800 per annum by Lawrence J. Carkey, Utica, N. Y., for use as a theatre.

If you approve of any of these bids will you please authorize the Corporation Counsel to prepare the necessary deeds and leases.

Yours truly, M. M. Morse, City Treasurer. (Seal)

Alderman Cordwell moved that the bids as enumerated be accepted, with the exception of the MacNaughton Market lease and the bid of Ernest Whitcomb on 9 lots. Seconded by Alderman Ramie. All voting in the affirmative with the exception of Alderman Doe voting nay. Motion carried.

Utica, N. Y., Aug. 10, 1940.

City Treasurer, City of Ogdensburg, N. Y.

DEAR SIR:

In accordance with your request when the writer was in Ogdensburg, N. Y., this letter will serve as my bid for the market place building in your city.

We request a ten year lease, with an option of five years and five years.

We propose to pay you monthly in advance the sum of $1,800.00 per year rent (Eighteen Hundred Dollars) in (12) monthly installments of $150.00 each.

We propose to conduct a motion picture theatre in the building showing motion pictures, and other forms of entertainment in the theatrical profession only.

We propose to do all inside alterations to transform the building into a theatre, installing such equipment as seats, motion picture projectors, sound, carpet, side wall sound treatment, screen, etc., also marquee and theatre front.

[fol. 6494] Sept. 4, 1940

We propose that the city or lessor furnish a satisfactory heating system, and keep it in major repairs, keep the roof in repair, and building proper during the term of the lease.

My organization will furnish the heat for the building, lights, etc., also keep the sidewalks in front of the building clear of snow and ice during the winter.

We would want permission from the Council to do all the necessary alterations in order to transform the building into a modern motion picture. In the event of a deal, we would furnish the Council the blue prints of the plans of the remodeling and entire work to be done.

Very sincerely yours, (Signed) L. J. Carkey, Family Theatre Building, Utica, N. Y.

Alderman Cordwell, moved that the bid of L. J. Carkey be accepted subject to a lease to be drawn up by the Market Commissioner together with the Corporation Counsel for a term of ten (10) years, with on option of five (5) years. Carried, ayes all.

[fol. 6495] **Exhibit 882**

September 30th, 1940.

Mr. Lawrence J. Carkey, Family Theatre Building, Bleeker Street, Utica, New York.

Dear Sir:

I am enclosing herewith proposed lease of the McNaughton Public Market, in duplicate. If the same meets with your approval, please execute and return, and we will procure the signature of the Mayor and the attestation of the City Clerk.

You may notice that the lease is drawn directly to you and not to the Kadevan Chain Theaters, Inc., as you suggested when you were in Ogdensburg. We feel that in view of the bid made in your name, and in view of the resolution adopted by the Common Council authorizing the lease to you personally, and in no way mentioning the Kadevan Corporation, that it would have been improper to draw the lease otherwise. I suspect that this will make no difference to you.

Very truly yours, William B. O'Connell, Corporation Counsel, City of Ogdensburg.

We are in receipt of your esteemed letter of the 9th.

We have an appointment in the near future to talk with the Schine Theatrical Enterprises who bought our product in Norwich last year. If we can arrange to sell you some of our pictures at Norwich we will be glad to do so.

Frankly, we have an obligation for all the pictures to Schine inasmuch as he bought them last year. Also because they are good customers of ours and they usually buy our pictures for all their theatres.

However, we will tell Mr. Schine at the time we negotiate with him of your desire to buy some of our pictures, and all things being equal we would like to accommodate you.

Just as soon as we see Mr. Schine we will communicate with you either through Mr. Streimer or our Mr. Harry Gold.

I note that I'm No Angel, Tugboat Annie, Gold Diggers and other pictures are playing Norwich four days, but your pictures such as The Bowery are only playing two days.

I fail to see the drift of Schine's letter to you and your statement that although Schine bought all of your product, there should be plenty left.

Schine is not only demanding all of your product, but he is demanding the product of every other Company, including Monogram.

I am today taking the matter up with the proper authorities in Washington to see if I shall have 50% of the United Artists' pictures.

Mr. Rosenblatt informed me that I was to have an equal split of pictures from various companies, until I had enough to operate my theatre in Norwich. I had already told him that you promised me 50% of your product but after receiving your last letter, I shall, of course, have to refute this statement.

Mr. George Lynch, Schine Enterprises, Inc., Gloversville, N. Y.

DEAR GEORGE:

I am sorry to have heard that you and Meyer were both in Cleveland last week and that you did not see fit to get in touch with me. I was particularly anxious to settle both the Van Wert and Bucyrus situations.

In the first instance I have been greatly embarrassed in dealing with the Van Wert situation, particularly in view of the fact that during Meyer's negotiations with Mr.

Grainger in New York, Mr. Grainger phoned me in behalf of Meyer and had me get our account in Van Wert to give up a first run deal for our pictures, in consideration of which I sold him a second run. After having completed these negotiations, I am informed that you now do not want a first run. I have communicated with the exhibitor in Van Wert and he feels that if he is to take back his first run again on this year's product, he wants my assurance that we will continue to sell him first run for at least next year.

In other words, I would like to have your commitment as to exactly what you want to do in this situation, bearing in mind that if you give up the first run in Van Wert, I must deliver a two-year deal to your opposition.

In Bucyrus, Milton Bryer advised me some time ago that you had taken over his house and were assuming his contracts. We have a considerable number of both features and shorts booked and I find that all of these dates have been removed by you with no replacements or no confirmation on your part as to the assuming of these contracts, and furthermore, no deal for Bucyrus.

All in all you are giving me some pretty rough treatment out here, George, and I don't thing I am deserving of it. Will you please advise by return mail as to just what your intentions are regarding both of these situations.

Kindest personal regards.

Sincerely, Dave Miller, Branch Manager.

[fol. 6554] 5. Upon said payments being made and said leases of the Keith and Eckel Theatres being executed and delivered, the Formative Agreement and said letter agreement dated August 21, 1935 relating to picture product, shall be deemed to be cancelled and of no further force or effect.

6. Keith hereby assigns to SKE said agreement providing for the operation of the Paramount Theatre and said franchise agreement for the exhibition of Paramount pictures, both dated August 30, 1935 and SKE hereby agrees with Keith to perform all the obligations of Keith under said agreements.

7. Keith and Dominion-Schine hereby assign to SKE and SKE hereby assumes all obligations under the contracts relating to the operation of the Theatres accruing on and after August 24, 1935 with respect to the Keith, Eckel and Paramount Theatres, and accruing on and after September 1, 1935, with respect to the Strand Theatre.

8. At the option of Keith, all vaudeville acts, artists or attractions presented at the Theatres operated by SKE shall be procured and booked exclusively through Keith, or its agent.

9. Keith and Dominion-Schine each agree that they will not acquire directly or indirectly, any interest in any other theatre in or within a radius of ten miles from Syracuse, [fol. 6555] New York, without first offering such interest to SKE on the same terms available to Keith or Dominion-Schine, as the case may be. SKE shall have ten days within which to advise Keith or Dominion-Schine, as the case may be, as to whether it accepts or rejects such offer.

10. The parties hereto will agree from time to time as to whether Keith or Dominion-Schine shall keep the books of SKE and SKE agrees to pay $25.00 a week to such party as shall keep such books from time to time.

11. The parties hereto hereby make the following agreement regarding motion picture product:

> If Dominion-Schine or their affiliated companies shall procure all the picture product produced or distributed

by Twentieth Century Fox (or its successor) and its subsidiary and affiliated companies, hereinafter called "Fox Pictures", for the so-called "Schine Theatrical Circuit" for any motion picture season commencing about September first, they will either make such picture product available to SKE for first run exhibition in the theatres operated by SKE for such motion picture season, or, upon their failure so to do by October first of such motion picture season, Keith shall have the option to terminate its lease of the Keith Theatre to SKE at any time on ten days' written notice.

[fol. 6556] It is understood and agreed that "Fox Pictures" does not include "Twentieth Century Pictures" so long as "Twentieth Century Pictures" are sold as a separate brand of pictures.

If Dominion-Schine or their affiliated companies shall not procure all "Fox Pictures" for the so-called "Schine Theatrical Circuit" for any motion picture season and shall not procure all "Fox Pictures" for first run exhibition in the theatres operated by SKE, and in the event that Dominion-Schine or their affiliated companies shall "spot-book" one or more of the feature "Fox Pictures" for the so-called "Schine Theatrical Circuit" prior to January first of any motion picture season or in the event that they shall "spot-book" more than six feature "Fox Pictures" for such circuit during the period from January first to August thirty-first of such motion picture season, Keith shall have the option, immediately upon the happening of either of such events, to terminate its lease to SKE at any time on ten days' written notice.

If Keith shall procure all the picture product produced or distributed by RKO Radio Pictures, Inc., (or its successor) and its subsidiary companies, (hereinafter called "Radio Pictures") for the so-called "Keith Circuit" for any motion picture season commencing about September first, it will either make such picture product available to SKE for first run exhibition in the theatres operated by SKE for such motion picture season, or upon its failure so to do by October first of such motion picture season, Dominion Operating Company, Limited shall have the option to terminate its lease of the Eckel Theatre to SKE at any time on ten days' written notice.

If Keith shall not procure all "Radio Pictures" for the so-called "Keith Circuit" for any motion picture season and shall not procure all "Radio Pictures" for first run exhibition in the theatres operated by SKE, and in the event that Keith shall "spot-book" one or more feature "Radio Pictures" for the so-called "Keith Circuit", prior to January first of any motion picture season, or in the event that it shall "spot-book" more than six feature "Radio Pictures" for such circuit during the period from January first to August 31st of such motion picture season, Dominion Operating Company Limited shall have the option, immediately upon the happening of either of such events, to terminate its lease to SKE at any time on ten days' written notice.

[fol. 6557] Anything herein contained to the contrary notwithstanding, if Dominion-Schine or their affiliated companies, shall procure all "Fox Pictures" for the so-called "Schine Theatrical Circuit" for any motion picture season and shall not make "Fox Pictures" available for such season for first run exhibition in the theatres operated by SKE, but shall make available, as a substitute for "Fox Pictures" so-called "M-G-M", "Warner" or "Paramount" pictures for first run exhibition in the theatres operated by SKE, upon the conditions hereinafter specified, Keith shall not have the option to terminate its lease of the Keith Theatre to SKE because of the failure of Dominion-Schine to make picture product available to SKE as herein provided.

Anything herein contained to the contrary notwithstanding, if Keith shall procure all "Radio Pictures" for the so-called "Keith Circuit" for any motion picture season, and shall not make "Radio Pictures" available for such season for first run exhibition in the theatres operated by SKE but shall make available as a substitute for "Radio Pictures" so-called "M-G-M", "Warner" or "Paramount" pictures for first run exhibition in the theatres operated by SKE upon the conditions hereinafter specified, Dominion Operating Company, Limited, shall not have the option to terminate its lease of the Eckel Theatre to SKE.

The conditions specified in the preceding paragraphs for the substitution of "Radio Pictures" or "Fox

Pictures" are that SKE shall not have under its control by lease, management contract or otherwise, or be required to lease or operate, a so-called Loew Theatre if M-G-M product is substituted or a Warner Theatre if Warner product is substituted, or a Paramount Theatre if Paramount product is substituted.

All contracts for the exhibition of picture product shall first be submitted to and approved in writing by the operating committee or by the Board of Directors of SKE.

It is understood and agreed that if Dominion-Schine shall be able to procure "Fox Pictures" (or "M-G-M", "Paramount" or "Warner Pictures" as above pro- [fol. 6558] vided) for first run exhibition in the theatres operated by SKE for any motion picture season on terms satisfactory to it or its member of the operating committee and on terms which are comparable to the terms on which such pictures could be secured for theatres of comparable size, location, policy and competitive conditions, but the proposed contract for the exhibition of such pictures shall not be approved by the other member of the operating committee or by the Board of Directors of SKE, Keith shall not be entitled to cancel the lease of the Keith Theatre to SKE because of the failure of Dominion-Schine to procure the picture product for such season.

It is understood and agreed that if Keith shall be able to procure "Radio Pictures" (or "M-G-M", "Paramount" or "Warner" pictures as above provided) for first run exhibition in the theatres operated by SKE for any motion picture season on terms satisfactory to it or its member of the operating committee, and on terms which are comparable to the terms on which such pictures could be secured for theatres of comparable size, location, policy and competitive conditions, but the proposed contract for the exhibition of such pictures shall not be approved by the other member of the operating committee or by the Board of Directors of SKE, Dominion Operating Company, Limited, shall not be entitled to cancel the lease of the Eckel Theatre to SKE because of the failure of Keith to procure picture product for such season.

If any lease from Keith to SKE shall be cancelled pursuant to the terms of this agreement, the lease of the Eckel Theatre shall automatically cease and terminate at the same time and if the lease of the Eckel Theatre from Dominion Operating Company, Limited to SKE shall be cancelled pursuant to the terms of this agreement, the lease from Keith to SKE shall automatically cease and terminate at the same time.

12. Upon the request of any of the parties hereto the other parties agree to execute such further assignments or other instruments as may be necessary or desirable to carry out the purposes of this agreement.

[fol. 6559-6560] 13. The promises herein contained are made solely for the benefit of the parties hereto. Nothing herein contained shall be deemed to confer upon any creditor of Keith, Dominion-Schine or SKE, or upon any person other than the parties hereto, any right or claim of any kind whatsoever against any of the parties hereto.

In Witness Whereof the parties hereto have executed this agreement, as of the day and year first above written.

THE MEDINA MASONIC TEMPLE COMPANY

Medina, Ohio

March 25, 1937.

Mr. Meyer Shine, Gloversville, N. Y.

DEAR MR. SHINE:

It has come to the attention of the Masons of Medina, Ohio that you are negotiating with the present owners of the Princess Theatre of Medina, Ohio to build a new theatre in Medina. We feel that perhaps you do not have all the facts concerning the conditions here and at a meeting of the representatives of the various Masonic bodies it was felt that these facts should be laid before you.

The Medina Masonic Temple Company was incorporated and built a Temple in Medina some years ago for the use of the various Masonic Bodies. The stock in this Company is owned by the Masonic Bodies and by individual Masons. We also carry an insurance policy covering money loaned to us by individuals to a considerable amount. Several members are individually signed on notes to considerable amount. The revenue from this Temple is not sufficient to carry it under the present conditions and it has become necessary to make other arrangement for revenue from this Temple or we will lose the Temple and everything that we have invested.

After weeks of negotiating with Mr. M. S. Fine and Mr. P. E. Essicks and their associates of Cleveland, Ohio, and only after investigating their financial standing in which two of the largest banks in Cleveland reported them as being one hundred per cent responsible, we have signed a contract with them to start a picture show theatre in the

Temple in Medina. This contract calls for a lease for a period of twenty-five years with a fair guarantee against a percentage. Work of remodelling the Temple was started March 15th, which time we are quite positive was prior to the time your representative was in Medina and negotiated the agreement with the Princess Theatre.

This matter has been presented to all the Masonic Bodies in Medina and to the stockholders of the Medina Masonic Temple Company who have approved and adopted the plan almost unanimously.

As you know, Mr. Shine, Medina is a small town, and we feel entirely too small for two large theaters. Also the people of Medina are quite clannish and we feel quite positive that they would resent the fact that you are contemplating building a theatre here after we have already started ours.

[fol. 6567] The success of our Temple Picture Theatre is of vital importance to this community for it means the saving of Masonry in Medina, the saving of the Temple and saving the money our people have invested in the stock and the insurance and the life savings of some who have personally signed notes for the Temple Company.

We feel, Mr. Shine, that you should know these facts and sincerely hope that you will consider them as we have tried to put them before you.

Yours very truly, N. H. McClure, Director Temple Co., Trustee Blue Lodge and Chapter, former Common Pleas Judge. C. W. Reinhardt, Secretary-Treasurer, Medina Masonic Temple Co. N. S. Kellogg, Director Temple Company, Trustee Blue Lodge and Chapter, Treasurer The A. I. Root Co. G. H. Wilder, Director Temple Co., Trustee Medina Chapter. E. F. Gibbs, Cashier The Old Phoenix National Bank. H. E. Aylard, Cashier The Savings Deposit Bank Company.

Whereas, the Distributor is engaged in the business of distributing motion pictures known as Warner Bros. and First National features and Vitaphone short subjects, and

Whereas, the Exhibitor owns or operates certain theatres in the towns hereinafter referred to, and

Whereas, the Exhibitor desires to procure licenses to exhibit the said motion pictures in the said theatres on the terms and conditions hereinafter set forth,

Now, therefore, the parties hereto do hereby agree as follows:

1. Subject to the terms and conditions hereinafter stated, the Distributor hereby grants to Exhibitor and Exhibitor hereby accepts a license under copyright to exhibit, and agrees to exhibit, the Warner Bros. and First National features, the scores and trailers in connection therewith, and Vitaphone short subjects generally released by Distributor for each of the motion picture seasons 1937-38, 1938-39 and 1939-40 in the theatres hereinafter referred to.

2. Annexed hereto, made part hereof and marked Schedules "A1" to "A71", inclusive, are certain memorandum sheets hereinafter to be referred to as "Deal Sheets" show- [fol. 6573] ing for each town the theatres licensed hereunder, the number of features to be exhibited by Exhibitor in each such theatre, the run or runs licensed (wherever a Deal Sheet specifies no run, the run licensed shall be deemed to be first run except for Buffalo and Rochester where it shall be deemed to be subsequent run), the number of days each feature is to be exhibited in each theatre, the film rental to be paid for the license herein granted, the number of features to be exhibited in the respective several film rental (percentage and flat rental) classifications, as well as other terms and conditions governing said licenses.

3. (a) Wherever a Deal Sheet provides that a certain number of features are to be exhibited under the film rental classification of

"35% to Split"

Exhibitor shall pay as film rental for each such feature, computed severally, an initial payment of thirty-five (35%) percent of the gross receipts up to that figure which equals the house expense, plus a sum equal to said initial payment, plus a sum equal to one-half of said initial payment, and thereafter fifty (50%) percent of the gross receipts.

(b) Wherever a Deal Sheet provides that a certain number of features are to be exhibited under the film rental classification of

"35% (Reversion to 30%) to Split if 35%"

Exhibitor shall pay as film rental for each such feature, computed severally, an initial payment of thirty-five (35%) [fol. 6574] percent of the gross receipts up to that figure which equals the house expense, plus a sum equal to said initial payment, plus a sum equal to one-half of said initial payment, and thereafter fifty (50%) percent of the gross receipts.

However, if the gross receipts of any such feature, computed severally, shall not reach a sum equal to the "reversion figure", as hereinafter defined, for the period of exhibition of such feature, then the film rental for such feature shall be reduced to thirty (30%) percent of the gross receipts and in such event the terms herein specified for features originally designated under the film rental classification of "30%" shall apply to such feature.

(c) Wherever a Deal Sheet provides that a certain number of features are to be exhibited under the film rental classification of

"30% (Reversion to 25%)"

Exhibitor will pay as film rental for each such feature, computed severally, as follows:

1. If the period of exhibition consists of week days only:

Thirty (30%) percent of the gross receipts, but if the gross receipts shall not reach a sum equal to the "reversion figure", as hereinafter defined, for the period of exhibition of such feature, then the film rental for such feature shall be reduced to Twenty-five (25%) percent of the gross receipts, and in no event to a lesser percentage.

2. If the period of exhibition consists of a Saturday and/or Sunday plus a week day or week days:

The Saturday and/or Sunday shall be considered the weekend unit of such period and the week day or week days the ordinary unit of such period. The amount to be paid shall be computed separately for each unit, thus:

For the weekend unit Twenty-five (25%) percent of the [fol. 6575] gross receipts derived during said unit and in no event to a lesser percentage.

For the ordinary unit Thirty (30%) percent of the gross receipts derived during said unit, but if said gross receipts shall not reach a sum equal to the "reversion figure", as hereinafter defined, then Twenty-five (25%) percent of the gross receipts derived during said unit and in no event to a lesser percentage.

(d) Should the exhibition period of any feature originally designated under the film rental classification of "(30%)" include a Saturday and/or Sunday, then the film rental for such feature shall be reduced to twenty-five (25%) percent of the gross receipts for the Saturday and/or Sunday exhibition days thereof only and for no other day of the exhibition period thereof.

(e) Should the exhibition period of any feature originally designated under the film rental classification of "(25%)" include a Saturday and/or Sunday, then the film rental for such feature shall be reduced to twenty (20%) percent of the gross receipts for the Saturday and/or Sunday exhibition thereof only and for no other day of the exhibition period thereof.

(f) Should any feature originally designated under the film rental classification of "(25%)" be exhibited in any theatre as part of a double feature program or in conjunction with vaudeville (unit or four acts), then the film rental for each such feature so exhibited shall be fifteen (15%) percent of the gross receipts.

4. The "house expense" of each theatre licensed hereunder shall be the actual cost of operating said theatre. For [fol. 6576] the purpose of computing "house expense" for the day or days on which the features licensed hereunder are exhibited, the apportionment for the days of the week in the theatres licensed hereunder shall be as follows:

Saturday	- 2/10
Sunday	- 3/10
Remaining days	- 1/10 each

5. The "reversion figures" for the features referred to in 3(b) and 3(c) hereof for the period of exhibition of each such feature shall be determined as follows:

Annexed hereto and marked Schedule "B" is a schedule listing the respective towns wherein are located the theatres licensed hereunder, and there is set opposite each such town a per tenth figure applicable respectively to thirty-five (35%) percent features and thirty (30%) percent features.

The "reversion figure" for each theatre in each respective town with respect to the thirty-five (35%) percent and thirty (30%) percent features, as the case may be, shall be determined by multiplying the appropriate figure set opposite such town by the total number of tenths represented by the number of days each such feature is actually exhibited in such town, allowing one-tenth (1/10) for each week day, two-tenths (2/10) for Saturday and three-tenths (3/10) for Sunday.

6. It is agreed that no feature designated under the film rental classification of "35% to split" or "35% (reversion to 30%) to split if 35%" or "30% (reversion to 25%)" shall be exhibited as part of a double feature program or in conjunction with vaudeville.

[fol. 6577] 7. The Distributor shall in its sole discretion designate for each situation the features to be exhibited under the several film rental (percentage and flat rental) classifications specified therefor under the respective Deal Sheets.

8. Exhibitor shall have the right, at its option, to pay as film rental for any of the features in the flat rental classifications in any situation, twenty (20%) percent of the gross receipts instead of the flat rental amount specified therefor in the Deal Sheet covering such situation. Exhibitor shall exercise the right herein granted with respect to any feature to which such right applies by notice in writing to Distributor on or before the date of the notice of selection by the Exhibitor of the play date or dates for such feature, as hereinafter provided. Should Exhibitor exercise the right herein granted with respect to any such feature and should the exhibition period of such feature include a Saturday and/or Sunday, then the film rental for such feature shall be reduced to fifteen (15%) percent of the gross receipts for the Saturday and/or Sunday exhibition days thereof only and for no other day of the exhibition period thereof.

9. In any situation (except first run Glens Falls, N. Y. where First National features only are licensed hereunder) where under the Deal Sheets Exhibitor is obligated to ex-[fol. 6578] hibit during any season less than sixty (60) features, Exhibitor shall have the right to select the number of features to be exhibited in such situation from the

total number of features released by Distributor for such season.

10. In any situation where under the Deal Sheets Exhibitor is obligated to exhibit in any season less than sixty (60) features, then such obligation in such situation shall not be reduced if Distributor releases less than sixty (60) features during such season, or the number of features made available to Exhibitor is less than sixty (60) by reason of censorship or other causes beyond Distributor's control and the number of features which Exhibitor is obligated to exhibit in such situation shall be selected by Exhibitor from the total number actually released during such season.

11. If Distributor releases in any season a lesser number of features than Exhibitor's commitment under the Deal Sheets in any situation, then the number of features which Exhibitor is obligated hereunder to exhibit in said situation under the lowest flat rental classification only shall be reduced by the number of features not so released.

12. In any situation where there are licensed sixty (60) features first run, then Exhibitor shall have the right during each motion picture season to eliminate for such run from the number of features designated under the lowest flat rental classification or classifications only, thirteen (13) features if only one theatre be licensed for such run, and seven (7) features if more than one theatre be licensed for such run.

[fol. 6579] 13. Wherever under this agreement or under the Deal Sheets Exhibitor shall have the right to select in any situation for any run or runs a certain number of features from a larger number, or to select for exhibition a greater number of features than the number specified, or to eliminate a certain number of features, such right shall be exercised by Exhibitor in the following manner:

Within fourteen (14) days from the date of availability covering each feature, Exhibitor will notify Distributor in writing whether Exhibitor desires to reject or eliminate said feature for the theatre or run covered by the notice specifying such date of availability. Failure to send such notice with respect to any feature as herein provided, shall be deemed an acceptance thereof by Exhibitor for the theatre or run covered by such availability notice.

14. (a) Annexed hereto, made part hereof and marked Schedule "C," is a schedule showing for each situation the theatre and run licensed hereunder for the exhibition of Vitaphone short subjects, the number of days each short subject is to be exhibited in each theatre, the respective rentals for the several series of Vitaphone short subjects and the total film rental to be paid by Exhibitor as a minimum commitment for Vitaphone short subjects for each of the motion picture seasons 1937-38, 1938-39 and 1939-40. During each such season, Exhibitor will select, by the same method hereinbefore described in paragraph 13 hereof, from the one and two reel short subjects generally released by Distributor for such season and play in each situation that aggregate number of Vitaphone short subjects which, based upon the respective rentals per short subject ap- [fol. 6580] plicable to the several series of short subjects for such situation as set forth in the said schedule, will equal the total film rental specified in said schedule as a minimum commitment for such situation.

(b) It is agreed that the several series of one and two reel Vitaphone short subjects which may be generally released by Distributor for each of the seasons 1937-38, 1938-39 and 1939-40 shall be the series licensed hereunder for each of said respective seasons. Should Distributor generally release during any such season a series of Vitaphone short subjects not described in Schedule C, then Exhibitor will pay as film rental for such short subjects in each situation, the film rental specified in Schedule "C" for the short subjects of a comparable series, as designated by Distributor, for such situation.

(c) The short subjects licensed hereunder for the motion picture season 1937-38 shall be exhibited during the period of twelve (12) months beginning with December 1, 1937 and ending November 30, 1938. The short subjects licensed hereunder for the motion picture season 1938-39 shall be exhibited during the period of twelve (12) months beginning December 1, 1938 and ending November 30, 1939. The short subjects licensed hereunder for the motion picture season 1939-40 shall be exhibited during the period of twelve (12) months beginning December 1, 1939 and ending November 30, 1940.

(d) It is understood and agreed that where Exhibitor shall, during any season, overplay the minimum commitment for short subjects in any situation, the film rental paid over and above such minimum commitment shall be applied dollar for dollar against any situation where Exhibitor shall underplay the minimum commitment for short [fol. 6581] subjects, provided, however, that during such season Exhibitor shall play that number of short subjects which will yield to the Distributor a minimum aggregate film rental for all situations in the sum of Twenty Eight Thousand Nine Hundred Sixty Dollars and Seventy-five Cents ($28,960.75).

(e) It is understood that the foregoing provisions of paragraph 14 hereof are applicable only to the situations listed in Schedule "C" opposite which there are set up total film rental figures as minimum commitments and rental allocations per short subjects.

15. In addition to the short subjects licensed in Paragraph 14 hereof, Exhibitor shall have the right to exhibit the Floyd Gibbons short subjects for which Exhibitor shall pay as film rental in any situation, the rental specified for Merrie Melody Cartoons in such situation. The Floyd Gibbons short subjects shall be selected by Exhibitor by the same method hereinbefore described in Paragraph 13 hereof. It is agreed that the film rental for the Floyd Gibbons short subjects exhibited in any situation shall not be included in the computation of the total film rental payable as a minimum commitment for such situation, as hereinbefore provided, but shall be paid in addition to the total film rental specified as a minimum commitment for such situation.

16. Unless otherwise provided for herein and not inconsistent with the said Deal Sheets, the exhibition date or dates of each of said features and short subjects at the theatres licensed hereunder shall be determined as follows:

[fol. 6582] Subject to the prior runs and/or clearance granted or hereafter granted by the Distributor to other exhibitors in each situation, and within a reasonable time after a print or prints of any of said features and short subjects are received at the Exchange of the Distributor out of which the Exhibitor is served, and provided the Exhibitor is not in default hereunder, the Distributor shall from time to time mail to the Exhibitor at the address hereinafter specified written notice of availability of such of the features and short subjects covered by the terms of this agreement as shall at the date of sending of such notice of availability be available for exhibition in any of the theatres for the respective runs indicated on the Deal Sheets. Within fourteen (14) days after the mailing of such notice, the Exhibitor shall select an exhibition date or dates not theretofore assigned to another exhibitor or exhibitors within the period commencing upon the available date and ending thirty (30) days thereafter, and give to the Distributor written notice of the date or dates so selected. Subject to the provisions of this paragraph, Distributor agrees to deliver a print of such features and short subjects on the date so designated by the Exhibitor.

17. Exhibitor will pay Distributor with respect to each feature for each theatre licensed hereunder the following trailer rentals up to and including March 12, 1938:

1 change	$10.00
2 changes	5.00
3 changes	3.00
4 changes	2.00
5 changes	1.50

Commencing March 13, 1938, Exhibitor will pay Distributor with respect to each feature licensed hereunder [fol. 6583] the respective trailer charges specified for each situation in the schedule annexed hereto, made part hereof and marked Schedule "D".

18. Exhibitor will pay Distributor with respect to each feature licensed hereunder the respective score charges specified for each situation in the schedule annexed hereto, made part hereof and marked Schedule "D".

19. Distributor shall accord to each theatre licensed hereunder for each feature and short subject actually exhibited the clearance set opposite such theatre on the schedule annexed hereto, made part hereof and marked Schedule "E".

20. Exhibitor agrees to charge in each theatre during the exhibition of the features and short subjects licensed hereunder the minimum admission prices indicated opposite such theatre on the schedule annexed hereto, made part hereof and marked Schedule "F".

21. (a) If the rental for any feature is a fixed sum, then Exhibitor agrees to pay such fixed sum as well as the rental for the scores, trailers and short subjects licensed hereunder at least three days in advance of the date of the first exhibition thereof, determined as herein provided.

(b) If the rental for any feature is to be determined either in whole or in part upon a percentage of the gross receipts, the Exhibitor shall pay such rental immediately after the last exhibition upon the last date of the exhibition of such feature, or if requested by the Distributor at the end of each day's exhibition. The Exhibitor agrees to furnish the Distributor within three (3) days after the [fol. 6584] completion of the exhibition at each theatre of each feature, the film rental for which is based in whole or in part upon a percentage of the gross receipts, an itemized statement of the gross receipts derived by the Exhibitor during such exhibition. Such statement shall be signed by the Exhibitor or the manager or treasurer of such theatre and the cashier thereof, and shall include any and all additional information and figures necessary to compute the license fees payable hereunder for each such feature.

(c) All payments hereunder shall be made to the Distributor at the respective cities in which are located the exchanges from which Exhibitor is served.

(d) Exhibitor agrees to keep full, accurate and complete books of account, vouchers and other records showing all gross receipts of the features licensed hereunder for which the film rental is based in whole or in part upon a percentage of the gross receipts, and the Exhibitor agrees that the Distributor shall have access at all reasonable times, through its accredited representatives, to the books of account, vouchers, records and documents of the Exhibitor in so far as they relate to the said features and to any and all additional information and figures necessary to compute the film rentals payable hereunder for each such feature in each theatre. Such representatives shall have the right to inspect, compare and make copies of any such books of account, couchers, records, documents and any such additional information and figures. During the exhibition period of any such feature, the Distributor shall have the [fol. 6585] right to have a representative stationed at each theatre at which such feature shall be exhibited, who shall have access to all parts of such theatre, including the box office, and shall have the right to check and verify ticket sales, receipts and admissions.

22. (a) If Exhibitor, in any town where more than one theatre is licensed hereunder, shall sell, lease, assign or otherwise dispose of, or in any manner voluntarily or by operation of law, lose its interest in, control of, or cease the operation of one or more but less than all of said theatres, or if Exhibitor shall consolidate or merge with any other person, firm or corporation with respect to the control, ownership, leasehold, operation, management or booking of one or more but less than all of said theatres, then all features, the scores and trailers in connection therewith, and all short subjects licensed hereunder shall be exhibited in the remaining theatre or theatres in such town.

(b) If Exhibitor shall sell, lease, assign or otherwise dispose of or in any manner, voluntarily or by operation of law, lose its interest in, control of or cease the operation of all of the theatres or of the only theatre licensed hereunder in any town, or if Exhibitor shall consolidate or merge with any other person, firm or corporation with respect to the control, ownership, leasehold, operation, management or booking of all of the theatres or of the only theatre licensed hereunder in any town, the Distributor shall have the right, without any further liability of any [fol. 6586] kind on Distributor's part to Exhibitor, to forthwith cancel and terminate this agreement and all rights herein granted Exhibitor with respect to the theatres or theatre in such town, without prejudice to any right or remedy of the Distributor against the Exhibitor at law or in equity and/or otherwise provided for in this agreement in the premises.

(c) If Exhibitor shall sell, lease, assign or otherwise dispose of or in any manner, voluntarily or by operation of law, lose its interest in, control of or cease the operation of all of the theatres or of the only theatre in a majority of the towns wherein are located the theatres licensed hereunder, or if Exhibitor shall consolidate or merge with any other person, firm or corporation with respect to the control, ownership, leasehold, operation, management or booking of all of the theatres or of the only theatre in a majority of the towns wherein are located the theatres licensed hereunder, then Distributor shall have the right, without any further liability of any kind on Distributor's part to Exhibitor, to forthwith cancel and terminate this agreement in its entirety and all rights herein granted Exhibitor with respect to all theatres licensed hereunder, without prejudice to any right or remedy of the Distributor against the Exhibitor at law or in equity and/or otherwise provided for in this agreement in the premises.

(d) It is agreed with respect to the corporation constituting the Exhibitor, that the sale or other disposition of a majority in amount of the stock of such corporation by the present holders hereof to other parties or such sale or disposition of such part thereof to present minority stockholders as shall give them a majority control of such stock or any sale, mortgage, pledge or other disposition, voluntary [fol. 6587] or involuntary, of such stock or any part thereof by or from present holders thereof, as shall result in changing or transferring the control of the stock, and thereby of the corporation through control of its directors or trustees, to parties other than those now in control of such stock of said corporation, shall for all purposes of this clause and agreement be deemed a disposition, sale or assignment of the interest and control in the theatre or theatres owned in part or in whole by such corporation, in the same manner and with like effect as a sale or transfer thereof by the corporation, and in such event, Distributor shall have the right, without any liability of any kind on Distributor's part to Exhibitor, to forthwith cancel and terminate this agreement in its entirety and all rights herein granted Exhibitor with respect to all theatres licensed hereunder without prejudice to any right or remedy of the Distributor against the Exhibitor at law or in equity and/or otherwise provided for in this agreement in the premises.

(e) Exhibitor agrees promptly to notify the Distributor in writing of the happening of any one or more of the events herein described.

23. All notices to be sent to Exhibitor by Distributor hereunder shall be sent by ordinary mail to the following address:

Schine Enterprises Corporation, Gloversville, N. Y.

24. The license herein granted shall be governed by the form or agreement annexed hereto, made part hereof and marked Exhibit "A" with certain deletions made therein, [fol. 6588] and wherever said form of agreement hereto annexed is in conflict with or inconsistent with the above provisions, said provisions shall govern and apply and all other agreements and arrangements, written or oral, with respect to the license herein granted shall be deemed to be of no effect. Wherever the Deal Sheets hereto annexed provide "scores and trailers same as season 1936-37"; "clearance same as season 1936-37", "subject to Master Agreement which prevailed for season 1936-37", or specify score and trailer rentals or clearance terms, said provisions shall be deemed to be eliminated and excluded from said Deal Sheets.

In Witness Whereof, the parties hereto have caused these presents to be executed by their officers thereunto duly authorized the day and year first above written.

EXHIBIT U-207

Gloversville, N. Y.

AGREEMENT entered into this 27th day of June, 1939, between UNIVERSAL PICTURES, INC. and SCHINE ENTERPRISES CORP., whereby it is agreed and understood that the following clauses become part and parcel of all deal sheets signed this 27th day of June, 1939, and the approval of these deal sheets will be an automatic approval of this letter.

CLAUSE NO. 1. In all situations where percentage pictures are used with a double bill, Universal agrees to allow us to deduct the cost of the second feature, the cost not to exceed Universal's flat rental.

CLAUSE NO. 2. If any picture played on percentage is played in conjunction with "Bank Night" or similar attractions, we shall have the right to deduct the unit cost of the operation of such attraction from the gross receipts and before accounting to Universal for their percentage.

CLAUSE NO. 3. It is understood and agreed that in towns where we overplay our contracted commitment, the monies obtained by overplaying the commitment is to apply dollar for dollar against towns where the commitment is underplayed.

CLAUSE NO. 4. It is also understood and agreed that on any subject or subjects used for more days than the number specified on the deal sheets or contract, the cost for each additional day will be fifty percent (50%) per diem rate on flat rental pictures only.

CLAUSE NO. 5. It is understood and agreed that on any percentage pictures used on a midnight show, the terms for the midnight show engagement are to be twenty percent (20%). In the flat rental situations, if any Universal pictures are used, and by playing a midnight show, if this increases the number of days beyond the contracted number of days, the rental for the picture for the midnight show is to be $10. This, however, is not to include New Year's Eve.

CLAUSE NO. 6. In situations where serials have been contracted for, the cost of the trailers is to be $2.00.

CLAUSE NO. 7. It is further understood and agreed that on the RICHARD ARLEN and ANDY DEVINE series, wherever these subjects are played, in no event are they to be allocated higher than Universal's lowest flat rental group.

RKO BUILDING
RADIO CITY
ROCKEFELLER CENTER
NEW YORK

October 18th, 1935

Mr. Meyer Schine
Schine Enterprises
Gloversville, N.Y.

Dear Meyer:

This will confirm our agreement made today to the effect that in the situations where you buy all flat rental, with the exception of Oswego and Norwich, the fifteen (15) top priced pictures in each situation are to be increased by 20% over the amount paid last year. It is also agreed that the total amount of the increase in each situation may be allocated by the distributor.

In Oswego and Norwich there are to be six (6) percentage pictures @ 35% -- three are to be without any reversion and three may revert to a minimum of 25%. It is understood that none of the Fred Astaire Pictures are to be subject to this reversion.

In the percentage situations, the terms are to be

3 @ 35% with no reversion.
3 @ 35% that may revert to minimum of 25%

in the event that the gross does not reach the figures shown on the deal sheets for each situation.

2 @ 30% that may revert to 25%
14 @ 25%

The balance of the deal is to be the same as the 1934-35 deal.

Score charge: Same as last year.

Very truly yours

Dear Mr. Schmertz:

Just a tip, that our opposition have closed their Lyric theatre for all but week end shows, when they are running second-run product.

We have been standing them up and have them coming, especially with our stage shows we now put on once a week; we are reliably informed that at least two of the major producers are getting pretty sore on account of double-featuring at the Vine.

If your company wants representation in the best house in Mt. Vernon with 1100 seats against 560 at the Vine, we are in a position to do business on all or part of your product.

We have all the product we can use until after the first of the year when we will have some dates for outstanding product.

Just giving you the above for what it is worth that you may pass same along t*h* New York—in case.

Sincerely yours, E. W. Long, Manager, Memorial Theatre.

We showed to 2600 people Tues and Wed of this week.

EWL.

Dear Mr. McAvoy:

You might be interested to know that our opposition (Schines) have closed their Lyric theatre here, except for Saturdays when they run second-run product.

We have more than doubled our attendance in the last month with our 1100 seat house at 20 and 30¢ admissions; we are featuring stage attractions with mid-week shows and are getting the crowds.

We can still use another block of good screen product and give you a break no one else can in Mt. Vernon on your better pictures.

Are also holding a place for your product at Cadiz providing we can get together here, and as promised we are giving you first chance in taking care of us.

We have a real show house and your Cleveland office can tell you about our equipment and ability to put on shows.

This is a home owned and managed proposition now and the public are giving us support that they will not give to the chain outfit.

With kindest personal regards beg to remain

Dear Mr. Drew:

We regret we were unable to get to Cleveland the first of the week as intended, on account of being called to Cadiz over the week end.

Noting your letter of the 12th., we can use substitutes for the two pictures mentioned, already set, and could furnish six more dates for 37/37 product, as well as a selective contract for 2nd. run 38/39 product of 30 pictures; with this we can use all of your 2nd. run shorts for 38/39 and possibly some more of the present season.

All the above, providing you can furnish paper and mats for advertising; We did not get any mats for Good Earth and have had trouble in getting many items for other 2nd. run product shown.

You can write up contracts covering the above and mail to us, making the best proposition you can in the way of price, as you know what our compe-tion is here now.

Please let us hear from you by return mail.

Yours truly

Mr. E. W. Long,

Mt. Vernon, Ohio.

Dear Mr. Long:

First, let me thank you on behalf of the Will Rogers Memorial Commission for the contribution you gave me yesterday when I visited you at your theatre.

I appreciate all you told me in reference to having an abundance of pictures available for you at this time, and being booked up to July 1st, still having six of our pictures to play.

As per your request, am looking up our booking charts to see if I can suggest a better picture to substitute for either Between Two Women or Sworn Enemies. The booker will write you on this.

Was in hopes that you could find room to use approximately as many of the 1937-38 pictures as you did of the 1936-37 product. Am advising my Home Office that I am holding up any further negotiations for second run product in Mt. Vernon until Monday, April 18th, at which time you have assured me you will be in position to let me know your desires insofar as second run exhibition of our 1937-38 product in Mt. Vernon is concerned; this being due to your having certain deals pending which make the delay necessary on your part.

Am leaving for Toledo today. Expect to return Friday. In the event that you come into Cleveland some day the latter part of the week, as you mentioned you might, will appreciate your wiring the office so that I can return and be here upon your arrival.

Sincerely yours, —— ——, Resident Manager.

Mr. E. L. McAvoy, R K O Bldg., New York, N. Y.

Dear Mr. McAvoy:

Just a tip to inform you that the Schines have lost their case here in both courts where they have been trying to renew their lease for the Lyric theatre, with a view of rebuilding.

One of the parties interested has come to us with a proposition to build on a good location to take the place of the Lyric, and inasmuch as our present lease has a clause protecting us against such a contingency, we are considering same.

Our opposition is running nothing but the cheapest independent pictures in this small house (200) seats and we are confident, for the last six weeks has not taken enough to pay the rent.

Kindly treat this information as confidential, and if it is any help to you in getting our deal across with your company, would be glad to have you check up on same, if opposition gives you any "line" as to what their intentions are here, you can judge for yourself in the matter.

We are doing very satisfactory business, but need another block of pictures to date up beginning about the first of Sept.

Thanking you for your kind consideration and with best regards, beg to remain,

Yours Truly, Emerson W. Long.

Dear Bud:

Here we all are in the South—having a wonderful time, Billy is lots better. Glad to hear of your advancement, and fine position, which will mean so much to you, but pretty hard on the Moore's. We have talked it over, we would like to make a deal with Schine, some way o'er other, we feel you are the one to approach, as you know we really do [fol. 7301] business at our little stand. If you can arrange this for us, we will deeply appreciate it, and will do our part. We are leaving for home on Apr. 29th, will arrive there around May 3rd. If you care to write us do so at Miami; you used to tell us not to worry, let you do that, so I guess we still feel that way. Kindest regards. Wishing you all kinds of good luck in your new capacity. We are,

Sincerely yours, The Moore's.

Sam Lichter, Fox Film Co., Inc.

Dear Sam:

Called you by telephone yesterday, learned you were at the Convention, bet you had a fine time; I am enclosing report on "Connecticut Yankee"—$208.30—not bad at 10-15¢, is it? We had strong competition Thurs. & Fri. at Schine's Van Wert—"Big House & Dancing Lady." Sat. only double bill & Bank Nite (award of $200.00) at the Strand Double Bill. I was foolish enough to have on a western with [fol. 7306] mine, as all the houses double-bill here, Fri & Sat. regardless of feature, which hurt me plenty. I turned them away by the score. I should of run it five days. Now Sam, I realize my opposition will want the other Rogers, too. But if you can arrange it, I will take them, at extended runs, also some of your other product. Metro and U. A. have given me second runs, on which I am doing nicely. *Now*, why can't you do the same? Come down and see us, o'er if you are too busy, I will come to Cleveland, but let me hear from you. We are counting on you.

As ever, The Moore's.

Such right to the possession, use and removal of

RECOMMENDATION

This is second run in this situation. We were unable to sell a complete contract due to the fact that this man runs a number of products first run in Mt. Vernon, but we were successful in obtaining ten pictures on percentage. We also sold him $343.25 worth of shorts but it was impossible to put him on the payment plan. However, this man will use more than this amount as he has picked up all the shorts that Schine has not used and we will get more than this amount out of this house. We feel that this is a good deal and suggest you let us have your approval.

Cleveland, Ohio, March 18, 1937.

Belpik Theatre Corporation, Holland Building, Bellefontaine, Ohio.

GENTLEMEN:

The Medina Theatre Company is the owner of real estate located in the Village of Medina, County of Medina, Ohio, on the Northeast corner of the public square in said Village.

This building consists of storerooms, offices and a theatre known as the Princess Theatre operated by The Medina Theatre Corporation, a corporation, organized and existing under and by virtue of the laws of the State of Ohio.

This Company proposes to lease the space occupied by the Princess Theatre to the Schine Medina Corporation, a corporation, proposed to be organized, at an annual rental of Eighteen Hundred ($1800.00) Dollars, for a term of ten (10) years and such extension of time as may be agreed upon by the parties hereto. Said extension however, not to be in excess of ten (10) years over and above said term of ten years.

The Belpik Theatre Corporation, an Ohio corporation, is to operate, manage and control the said theatre for and on behalf of the Schine Medina Corporation under the terms of an Operating Contract generally used by said Belpik Theatre Corporation in connection with the operation of similar theatres.

The undersigned further proposes to erect and construct a theatre building on the East side of the public square, in the Village of Medina, on lands owned by George Willis, Florence Willis and Benjamin Yudelevitz. Said new theatre herein contemplated and to be constructed shall contain not less than seven hundred (700) seats, and is to be ready for operation not later than September 1st, 1937, excepting in the event of circumstances and conditions beyond the control of the parties, such as strikes, riots and acts of God.

Upon the completion of said theatre building the aforesaid individuals agree to enter into a lease with the Schine Medina Corporation, whereby said premises are to be leased to said The Schine Medina Corporation for a period of ten (10) years, at an annual rental equal to ten (10%) per cent of the cost of construction of said building plus the valuation of the lands at Fifteen Thousand ($15,000.00) Dollars. Said annual rental shall not exceed the sum of Fifty-five Hundred ($5500.00) Dollars. The said Schine Medina Corporation [fol. 7318] shall have the option of renewing said lease for a further period of ten (10) years, at the same annual rental as hereinabove stipulated, except as to this renewal clause, all rentals payable monthly in advance.

The said Schine Medina Corporation is to suitably and adequately equip said building for theatre purposes at a cost of approximately Fifteen Thousand ($15,000.00) Dollars. The funds for said purposes to be loaned by The Belpik

Theatre Corporation to the Schine Medina Corporation, evidenced by a promissory note, bearing interest at the rate of five per cent (5%), per annum, payable semi-annually. Said note to be secured by a chattel mortgage on said equipment and said note to be paid on or before five (5) years from the execution thereof as the operating profits of The Schine Medina Corporation will warrant.

It is further agreed that no dividends shall be declared or paid to the stockholders of the Schine Medina Corporation until said note is paid.

Upon the opening or commencement of operations of the new theatre, the said Schine Medina Corporation shall have the option of continuing the lease on the present Princess Theatre, at an annual rental of One Thousand ($1,000.00) Dollars, provided, the said Schine Medina Corporation operates said theatre part of the time. In the event the Schine Medina Corporation does not operate said theatre, then it may cancel said lease and Lessors may then lease said premises for any other purposes, except theatre purposes. In no event are Lessors to use, occupy or lease said premises for theatre purposes during the term that the Schine Medina Corporation operates the theatre on the East side of the public square.

It is further proposed that the Schine Medina Corporation is to be organized; fifty per cent (50%) of the stock is to be held and owned by the Belpik Theatre Corporation or Schine Chain, and the remaining fifty per cent (50%) of the stock is to be held and owned by George Willis, Florence Willis and Benjamin Yudelevitz, and by no other persons. Said Corporation to have only one class of stock, to wit: common stock of no par value—250 shares to be issued and held as herein set forth. Said stock to be sold to the aforesaid parties at $2.00 per share.

The said Schine Medina Corporation is not t[illegible]sume any obligations now in existence or to be contract[illegible]y the said George Willis, Florence Willis and Benjamin Yudelevitz and the Medina Theatre Company, except existing film contracts and contract with the American Seating Company for seven Hundred (700) seats, and the National Theatre Supply Company for booth equipment only, for the contem-
[fol. 7319] plated new theatre.

It is further to be agreed that the Belpik Theatre Corporation, the Schine Medina Corporation and The Medina Theatre Company, and George Willis, Florence Willis and

Benjamin Yudelevitz, or any persons connected in any manner with the aforesaid corporation or corporations, or individuals, shall not during the term of this Agreement, or during the term of the Agreements and Leases herein proposed, engage in any other theatre business in the Village of Medina, Ohio.

It is further agreed that the said Schine Medina Corporation shall employ Benjamin Yudelevitz as Manager of said Theatre or Theatres in accordance with the usual Contract of Employment, at a salary of Sixty-five (\$65.00) Dollars per week, and the said George Willis to be employed at a salary of twenty-five (\$25.00) Dollars per week.

It is further understood and agreed that this contract shall take effect on midnight of April 18, 1937.

Yours very truly, G. S. Willis, Benjamin Yudelevitz, Florence Willis. The Medina Theatre Corporation, by G. S. Willis, by Benjamin Yudelevitz, V. P.

We talked with Mr. Kaplan on the phone this morning, and have been looking for you in the office some time today as per your conversation when here on Monday, when I understood you to say you would be in again on Wednesday.

We gave him your message and he advises that if you are agreeable to a guarantee against percentage on a basis that will be acceptable to the producers and our Home Office, he is ready to talk with you the latter part of this week.

He may be in the office on Thursday, and perhaps not until Friday morning, but am sure that you will catch him here on Friday if this is acceptable to you.

Kind wishes.

Dear Harry:—

Will appreciate immediate word from you as to certain passes you are handing out—in fact, to quote several local Syracuse exhibitors,—

"The city is flooded with five cent passes on which they are, allegedly, absorbing the tax which results in an actual two cent admission."

Will appreciate details by return mail as most Syracuse accounts have already pulled my play dates on Tom Dick and Harry.

Attention Mr. Kenneth Robinson—

Dear Mr. Robinson:

We are interested in ascertaining whether or not you have any unplayed first run pictures available for our use at this theatre. This includes features and short subjects. In looking over the Paramount proposition for this year it appears to me that the program contains all the ear marks of the best money-making proposition of any of the producers. On the face of what I know of the coming year's pictures I could safely say that we could offer you between eighteen and twenty thousand dollars for the product providing you cannot get an equitable deal from our opposition. I appreciate the fact that they have first call on the product due to using your pictures this past year current.

Best wishes,

Very truly yours

Att'n Mr. J. H. Kaplan, Sales Manager

Dear Sir:

This will acknowledge with thanks the receipt of your letter of recent date with reference to "I Cover the Waterfront".

I have checked over the contract and do not find where there is any particular stipulation as to admission price although I may have missed it. As explained to you in a previous letter, we have instituted a summer policy here and of course we cannot set aside this policy for just one picture. You will agree with me that this would be bad policy for us to do so. In as much as you expressed your desire to sell this picture elsewhere I shall be very happy to cooperate with you in this instance as I have done in the past. You can not only sell this picture but, in view of the fact that "Masquerador" and "Joe Palooka" will probably be released while we are still operating under a summer policy, you can use this as your authority to sell all three of the above pictures. Thus all contractual relations between ourselves are cleared up.

Trusting this arrangement meets with your approval, beg to remain,

Very truly yours

Dear Mr. Wallace:

We cannot accept the contract for Gaumont-British pictures inasmuch as the prices for the pictures in question are not adequate, nor in keeping with prices formerly paid by you for Gaumont-British pictures.

Incidentally The Lady Vanishes is now on its second week, going into its third, in Buffalo, and in its sixth week in New York.

In reply to your letter regarding open 20th Century-Fox for Auburn, all our current releases have already been used in Auburn, and we have, of course, a contract for the balance of our product with the Jefferson, Palace and Auburn Theatres.

Mr. William C. Smalley,
Smalley Theatres,
Cooperstown, N. Y.

Dear Mr. Smalley:

Your telegram of May 27th addressed to Mr. Abe Montague has been turned over to me for my attention.

I beg to advise you that the offer made by Columbia to you in the past, as repeated in a letter addressed to you by my associate, Mr. Moross, is once again repeated by me, namely—that Columbia Pictures Corporation is ready, willing and able to have its representative meet with you and discuss the licensing of an equitable split of our pictures to you provided you are prepared to pay a fair price for the same.

According to our records, Mr. Louis Weinberg, of our Sales Department wrote you on December 7th, 1939 that he would be glad to meet you at any place convenient to yourself if you would give him forty-eight hours notice, and I am certain that if you had a sincere desire to buy Columbia Pictures you could have found some time between December 7th, 1939 and January 4th, 1940 to meet him. However, despite your failure to meet with our business representative, Columbia has made honest and sincere efforts to contact you and sell you a fair and equitable split, but at no time have you been willing to sit down with Mr. Weinberg to discuss same.

As you undoubtedly know, Mr. Weinberg is leaving today for the Columbia convention and will not be available to discuss this matter with you until June 18th, and if you are sincere in the statement you made in your wire of May 27th, you can make arrangements with Mr. Joe Miller, our

Albany Branch Manager, for an appointment with Mr. Louis Weinberg for any time after June 18th.

Yours very truly,

Attention: Mr. W. C. Smalley

Gentlemen:

Your letter of November 7th addressed to Mr. A. Montague has been turned over to me for reply.

Upon investigation of your complaint I find that the same is entirely unfounded as for a number of years past we have offered to you at least one-half of our product for exhibition in your theatre in Norwich. Our offer to you has been on fair and reasonable terms. In each instance you have declined to accept such offer and have made a counter offer of terms so low that same were not acceptable to us.

I would be very happy to have our representative meet with you and discuss the licensing of a split of our pictures to you provided you are prepared to pay a fair price for the same.

Yours very truly, Irving Moross, Legal Department.

Re: State, Bucyrus.

Dear Milt:

This is the same deal as last year—except—that on the shorts—and 32 features—I gave him the priviledge of 3 or 4 days instead of 2 or 3 days—he figures he may go to two changes per week—however I gave him no assurance New York or you would approve. I tried to get an increase on this—but—you know the set-up.

I also got the 14 Delux trailer in at 4.00 instead of 3.00 and the 4 pictures at 25% show a 15.00 increase. The paying arrangement is figured to start at expiration of present paying arrangement.

Regards, W.J.B.

This agreement shall be deemed to cover only such photoplays as are designated by the release numbers opposite which there is a film rental specified in the schedule.

The Exhibitor agrees that all advertising materials which Exhibitor may lease from the Distributor will be used only in conjunction with the exhibition of the respective motion pictures identified in such materials at the theatre or theatres specified in the schedule, and only for the purpose of properly advertising and exploiting said respective motion pictures at such theatre or theatres, and the Exhibitor agrees not to trade, sublease, sell, give away, nor otherwise use or permit others to use such advertising materials.

ADDITIONAL CLAUSES

1. IT IS AGREED THAT THE EXHIBITION DATES OF THE FOLLOWING MOTION PICTURES FOR WHICH THE RENTAL IS TO BE DETERMINED EITHER IN WHOLE OR IN PART UPON THE ADMISSION RECEIPTS SHALL INCLUDE A SATURDAY AND/OR A SUNDAY.

2. Distributor may in its discretion by giving Exhibitor notice in writing on or before "the available date" of the particular photoplay designate not more than four of the photoplays licensed hereunder for which the film rental and terms agreed to be paid by Exhibitor shall be, instead of the film rental and terms hereinabove provided ______ percent of the gross box office receipts of such photoplays, such photoplays to be exhibited in the ______ theatre for ______ days each.

3. Distributor may in its discretion, by giving Exhibitor notice in writing on or before "the available date" of the particular photoplay, interchange the film rental and terms (including the theatre, if more than one theatre is mentioned above, and exhibition dates) of any one or more of the photoplays with the film rental and terms of any other photoplay or photoplays of the same or different brand licensed hereunder, it being understood that the provisions of this paragraph shall include the right of Distributor in its discretion to substitute the film rental and terms, as defined herein, of any motion picture excluded from this license by Exhibitor pursuant to the provisions of Article "Fifteenth" hereof, in place of the film rental and terms of any other photoplay or photoplays of the same or different brand, thereafter made available, by giving Exhibitor notice in writing within fourteen (14) days after the receipt of the written notice specified in said Article of the Exhibitor's election to exclude such motion picture.

4. ADMISSION PRICES—The Exhibitor during the whole of the licensed exhibition period of each of the motion pictures exhibited hereunder agrees to and shall charge for admission to said theatre the following prices:

EVENINGS: Adults: Orchestra ______ Balcony ______ Children ______ MATINEES: Adults: Orchestra ______ Balcony ______ Children ______

Unless a greater minimum admission charge is herein specified, the Exhibitor agrees to and shall charge for admission to said theatre during the whole of the licensed exhibition period of each of the motion pictures, an actual admission fee which shall not be less than fifteen cents (15¢) for each adult person for each matinee performance and not less than fifteen cents (15c) for each adult person for each evening performance.

If during any such period less than said admission prices is charged, the Distributor in addition to all other rights hereunder shall have the right: (a) to immediately terminate the license of the motion picture then being exhibited, by written notice to such effect to the Exhibitor and upon the giving of such notice, the license of such motion picture shall forthwith terminate and revert to the Distributor; or (b) provided the Exhibitor is granted herein a period of "clearance" to reduce such period by not to exceed one-half in respect to each of the pictures thereafter deliverable hereunder or (c) provided no period of clearance is specified in the schedule to withhold for a period not to exceed sixty (60) days notice of the date when each motion picture thereafter deliverable hereunder will be available for exhibition by the Exhibitor; and as to each such motion picture the "run" thereof, if any, granted the Exhibitor, shall be deemed revoked and the Exhibitor agrees to exhibit each such motion picture after notice of the available date thereof upon the date or dates determined as provided in Clause Fourth hereof.

5. It is conceded by the Exhibitor that the exhibition by it of any photoplay licensed hereunder on the same program and as a part of the program with any other feature photoplay of five reels or more in length, substantially reduces the exhibition value of such photoplay to other exhibitors in the same city or general territorial division in which the Exhibitor's theatre is located, and furthermore, substantially reduces the film rental which the Distributor is entitled to receive from other exhibitors who have either a prior or subsequent run to the exhibitor licensed in this agreement. Therefore it is covenanted and agreed that the Exhibitor will not exhibit any of the above licensed photoplays as a part of programs or on the same program or bill with any other feature photoplay, and that a violation of this covenant by the Exhibitor entitles the Distributor to all the rights and remedies herein given to it on violation or breach of any other covenant, term or provision in this contract.

6. In the event that Exhibitor shall violate the provisions of any other agreement between Distributor and Exhibitor for feature photoplays therein agreed to be leased, or shall fail to date, play and pay for the film rental provided for in such other agreement, Distributor may at its option exercise with respect to this agreement all or any of the rights granted Distributor under Paragraph Eighteenth.

7. The parties hereto recognize that the National Appeal Board referred to in Article Twenty-second is not now and may not during the term of this agreement be in existence. It is agreed, therefore, that until the said National Appeal Board shall be organized, the sixth paragraph of said Article shall be deemed to read as follows:

"The Arbitration Board shall have general power to determine such dispute or controversy as shall be submitted, to make findings of fact in respect thereof and to direct specific performance of a contract, and/or that the same has been breached in whole or in part, and/or that damages on such account shall be paid. The Board of Arbitration shall have the power only to give force and effect to the provisions of this license agreement and the rights or obligations of the parties thereunder."

8. Distributor grants the Exhibitor and the Exhibitor accepts a limited license, subject to the terms and conditions of this agreement, under the respective copyrights of the number of trailers (which term shall be deemed to mean films or prints ordinarily not in excess of one reel in length, designed to advertise and introduce the photoplays licensed hereunder) described in this schedule, and under the copyright of any matter included in any sound recorded therewith, to exhibit publicly said trailers and to reproduce for public performance such recorded sound in synchronism therewith, but only at the theatre and for the number of consecutive days specified in this schedule, and for no other use or purpose, on dates to be determined as follows:

In the absence of special provisions for special dates agreed upon in this schedule, Exhibitor agrees to commence the first exhibition of each of the said trailers seven (7) days prior to the first exhibition date determined as herein provided of the photoplay to which said trailer relates. Exhibitor agrees to pay Distributor for the rights herein granted with respect to each such trailer, the trailer rental indicated in this schedule therefor, and to make such payment at least five (5) days prior to the first agreed exhibition date of each such trailer, determined as herein provided.

9. Number of pictures offered: 60 Number licensed: 60

If it is desired to make such clause a part of this license, the Exhibitor and the duly authorized representative of the Distributor shall sign their respective names where indicated, immediately following this paragraph and unless so signed the said Clause shall be deemed excluded from this license agreement.

It is agreed by and between the parties that Clause Twenty-second, providing for voluntary arbitration of disputes arising hereunder, shall be included as a part of this license.

Mr. Hobert L. Himes, Jenkins Bldg., Canandaigua, N. Y.

Dear Mr. Himes:

Thank you for your telegram of yesterday.

In the absence of your letter which you stated would follow, I do not know what your final decision is regarding your refusal to rent the main floor and basement of the Jenkins Bldg.

From my past experience I do know it is nothing unusual for owners of properties in smaller cities to recognize the importance of having presented to them a plan whereby a definite income is assured from the property. The reason for this attitude is when a prospect becomes interested in renting the property, the owner always feels it has a greater value than if the property were offered for rent or sale by the owner himself. I am putting you on the list as a seventh party who during the past four years refused to make a deal relieving them of the responsibility in the management of the property. Each and everyone of them during the past year, including two parties this year, have come to me and asked me if it would be possible to close a deal for them. In other words, I make this prophecy, that you are making a terrific mistake and while you may not give me the satisfaction of coming to me at some future date, you will always remember this communication; particularly so whereas you are not requested to spend any money for improvements.

In closing I wish to say I am not grieved excepting we have had promise after promise that a definite decision would be made before this date and we were held off to such a late date, that it will be almost impossible to start making improvements for the fall and winter business unless the transaction is closed before July 1st.

[fol. 7371] We, of course, ask you to kindly keep this matter in confidence as to the nature of business we had in mind in opening the store.

With kindest regards to you and Mrs. Himes and Mr. Jenkins, I am.

Very truly yours, A. J. Lauer.

Dear Mr. Lauer:

Our letters must have crossed in the mail. In any event I thank you for your letter of the 16th, instant which arrived this morning and have carefully noted it's contents. No I do not think our property is any more valuable than before.

I certainly want you to feel free to call on me at any time as I want to be able to contact you. If we have made a mistake it probably will not be the first one and no doubt not the last.

Our discussions will be kept in confidence.

Wishing you and Mr. Wallis continued success, I am

Agreement

Agreement made and entered into this 21st day of September, 1937, by and between Halmer D. Shreffler, of Shelby, Ohio, hereinafter called "Shreffler", party of the first part, and Belpik Theatre Corporation, an Ohio corporation having its principal office in the City of Cleveland, Ohio, hereinafter called "Belpik", party of the second part,

Witnesseth:

Belpik is engaged, directly or through affiliated corporation, in the operation of motion picture theatres in the State of Ohio. Shreffler leases and operates the theatre known as The Castamba Theatre in the City of Shelby, Ohio. Belpik desires to acquire an interest in the operation of said theatre and Shreffler has agreed to dispose of a half interest therein as hereinafter set forth.

Now, therefore, in consideration of the premises, and of the mutual covenants, promises, and agreements herein contained, the parties hereto have agreed and do hereby agree as follows:

1. Shreffler and Belpik agree to cause to be organized promptly upon the execution of this agreement, an Ohio corporation to be known as the Schine Shelby Corporation, the stock thereof to be divided into two classes, both without par value, to be issued in the name of Shreffler, or his nominees, fifty (50) shares to be known as Class A stock, and fifty (50) shares to be known as Class B stock. Said corporation shall have four (4) directors, two (2) of whom shall be elected by the Class A shareholders, and two (2) of whom shall be elected by the Class B shareholders. The class A and class B shares shall have equal rights in all other respects. The officers of the corporation shall consist of a President, Vice-President, Secretary and Treasurer, and such Assistant Treasurers and Assistant Secretaries as may be designated by the Board of Directors from time to time.

[fol. 7407] 2. The Certificate of Incorporation and the By-laws of the Schine Shelby Corporation, and all corporate proceedings with respect to the incorporation thereof, and the issuance of its stock shall be subject to the approval of counsel for Belpik and Shreffler.

3. Shreffler agrees that, promptly upon the execution of this Agreement, he will obtain from The Castamba Realty Company, as owner of the Castamba Theatre, a lease in the name of the Schine Shelby Corporation, for a term of twenty (20) years, at a rental not to exceed Two Hundred and Fifty Dollars per month ($250.00).

4. Shreffler, represents, warrants and guarantees that the said Castamba Theatre is being altered and remodelled, and that it will have a seating capacity of at least seven hundred and forty-eight seats, and that there are no outstanding obligations against said theatre or the equipment or personal property contained therein, or to be hereafter installed, except film contracts which have been exhibited to Belpik and approved by it, and except a contract for Mirrophonic Western Electric Sound Equipment on which there is a balance due of approximately fourteen hundred dollars, which certain contracts are to be assumed by the Schine Shelby Corporation. It is understood and agreed that there is a mortgage upon the real estate of The Castamba Realty Company on record at the present time, which mortgage is held by The Citizens Bank of Shelby, and is in the face amount of eighteen thousand dollars. This mortgage is specifically excepted from the warranty above stated and is to be paid off by Shreffler and The Castamba Realty Company in accordance with terms hereinafter mentioned.

5. Shreffler agrees, promptly upon the formation of the Schine Shelby Corporation, to assign to said corporation all his rights in and to the sound equipment contract, and the film contracts hereinabove referred to, together with all of his rights if any, in and to the personal property, furnishings and equipment located in said Castamba Theater, or upon the personal property, furnishings and [fol. 7408] equipment hereafter to be installed in said Castamba Theater. Shreffler covenants, represents and warrants and guarantees that the said theatre, at the time it is transferred to the Schine Shelby Corporation, shall be duly and completely equipped for operation as a motion picture theatre, and that all equipment and personal property therein shall be owned by Shreffler free and clear of any and all liens, claims, charges, mechanics liens, mortgages or incumbrances of any and every nature whatsoever, except as hereinabove or hereinafter specified.

6. Upon the formation of the Schine Shelby Corporation, and after the transfer to and acquisition by it of the rights; contracts, and leases as hereinabove provided, Shreffler agrees to sell to Belpik, and Belpik agrees to purchase, fifty (50) shares of Class B stock of the Schine Shelby Corporation and Belpik agrees to pay therefore the sum of Fifteen Thousand Dollars, payable Seventy-five Hundred Dollars at or before the delivery of said stocks, and the balance of $7500.00 on January 10th, 1938. It is agreed that Shreffler, immediately upon receipt of said payments, shall apply the same against the indebtedness of The Castamba Realty Company to the Citizens Bank of Shelby upon the mortgage above mentioned, and Shreffler agrees to cause the said Class B stock to be issued in the name of Belpik, its nominee or any subsiduary owned or controlled by either Belpik or Schine Theatricals, Inc.

It is further agreed that after Shreffler has applied said sum of Fifteen Thousand Dollars towards the partial liquidation of the mortgage indebtedness of the Castamba Realty Company to The Citizens Bank of Shelby, that Shreffler, will cause the amount remaining due, to be paid by The Castamba Realty Company, (which amount is not to exceed Four Thousand Dollars), within a reasonable time after the execution of the within mentioned agreement.

[fol. 7409] 7. Each of the parties agrees with the other that after the sale of the Class B stock to Belpik, as hereinbefore provided, neither party will, at any time, sell, hypothecate, or otherwise dispose of the stock of the Schine Shelby Corporation owned by such party, without first offering such stock to the other party upon the same terms and conditions as those upon which it is proposed to sell, hypothecate or otherwise dispose of said stock, and giving such other party an opportunity, for ten days, to acquire the same upon such terms. A notation to this effect shall be made on each stock certificate issued by the Schine Shelby Corporation and shall be included in the By-laws of the corporation.

8. It is mutually agreed that the parties hereto will cause the Schine Shelby Corporation to enter into a contract with Belpik, and Belpik agrees to enter into such contract, for the supervision and general management of the Castamba Theatre, Shelby, Ohio, and any other theatre or theatres

thereafter acquired in said city, with the exclusive right of Belpik to purchase and book all motion pictures and other attractions for said theatre or theatres, for which services Belpik is to receive five per cent (5%) of the gross receipts of said theatre or theatres, a copy of said operating contract has been exhibited and read by the parties hereto and approved, a copy of which for convenience is marked Exhibit A and attached hereto.

9. It is mutually agreed that the parties hereto will cause the new corporation to enter into a contract of employment with Shreffler and his son, A. D. Shreffler, said contract to be for a term of two (2) years at the combined salary of Fifty Dollars ($50.00) per week.

10. Each of the parties hereto agrees that any theatre or theatres in the City of Shelby, Ohio, or interest therein, which may hereafter be acquired, either directly or indirectly, by either of the parties hereto, and any and all [fols. 7410-7411] agreements relating thereto, shall be acquired for the benefit of the Schine Shelby Corporation, and any and all evidences of ownership, or interest therein, shall be transferred or conveyed to said corporation.

11. The parties hereto agree that the amounts which may be required by the Schine Shelby Corporation for working capital shall be advanced fifty per cent by Belpik, and fifty per cent by Shreffler, and shall be repaid in the same proportion. Neither party shall be required to advance at this time as operating capital a sum in excess of Two Hundred and Fifty Dollars ($250.00) each.

12. The parties hereto agree that current operating expenses shall be paid by the local manager in Shelby, and all sums over and above said operating expenses shall be transferred to the Reserve Account to be opened in the name of the Schine Shelby Corporation in the Citizens Bank of Shelby, Ohio, the surplus remaining in said reserve account, after paying for rent, film management fees, and all other proper charges shall be distributed to the stockholders as dividends if, as and when they are duly declared by the directors by proper corporate action.

13. This agreement shall be binding upon the parties hereto and their respective legal representatives, successors and assigns.

In Witness Whereof, the parties hereto have caused this agreement to be executed under seal the day and year first above written.

The Employee further agrees, conditioned as aforesaid, that if during the first year after the termination of his contract, he shall be or become, directly or indirectly, either individually or through any partnership, association, joint venture or corporation (other than as an employee or associate of the Employer) interested in the ownership or operation of any motion picture theatre or other amusement enterprise, within the territory described in this contract, then and in that event the Employer shall have the right and option to purchase and acquire a half interest in such motion picture theatre, or theatres, or other amusement enterprise, upon the same terms as those upon which such interest was acquired by the Employee. Nothing herein contained shall prevent the Employee from investing money in stocks or bonds of Companies engaged in the amusement business, which stocks or bonds are regularly traded in upon a recognized exchange.

To Have and to Hold the premises herein described to the said Lessee, its successors and assigns, beginning on the 1st day of June, 1940, and ending on the 31st day of May, 1950.

The Lessee yielding and paying therefor the sum of Ten Thousand Dollars ($10,000.00) cash, upon the signing of this lease, the receipt whereof is hereby acknowledged, and the further sums of Three Hundered Dollars ($300.00) on the 1st day of each and every calendar month, in advance, during the term of this lease.

It is understood that the Ten Thousand Dollars ($10,000.) is a rental payment, applicable to the term of this lease, and should the premises be destroyed by fire or other casualty, or the use thereof as a theatre be prohibited [illegible] governmental authority, or this lease terminated b[illegible]utual consent, then and in any such event, but under no other [fol. 7442] circumstance or condition whatsoever, the unearned portion of said Ten Thousand Dollars ($10,000) computed on an annual basis of One Thousand Dollars ($1,000.00) per year, shall be refunded to Lessee. Should Lessor fail to keep in force insurance to the extent herein required, Lessee may so insure said premises and charge the premium against rentals prescribed herein.

It is agreed that if at any time during the term of this lease, the Lessee herein places new equipment in said building, it shall have the option to remove said equipment placed therein by it at the end of the term, provided, the Lessee has performed the conditions of this lease on its part to be performed.

It is agreed that Lessor shall install a new heating plant in said building at a cost not to exceed Twelve Hundred Dollars ($1,200.00) and that Lessee shall pay one half (½) thereof; that said improvement shall be completed on or before September 1st, 1940, and that the plans and specifications therefor shall be approved by both parties prior to the commencement of the work.

It is agreed that Lessee shall repair the interior of the theatre consisting of plastering, decoration, painting and general repairs at a cost not to exceed Thirteen Hundred Dollars ($1,300.00) and that such repairs shall be completed on or before September 1st, 1940.

It is agreed that Lessor shall have three (3) passes for the Schine Holland Theatre and 3 passes for the Strand Theatre for two (2) persons each during the term of this lease.

It is agreed that Lessee will operate said theatre at least once a week for fourteen (14) weeks during each year of the term of this lease and to enable Lessee to operate this theatre, the Lessee shall have the right to use such portion of the second floor of said building as is necessary for that purpose.

It is agreed that Lessee will, during the months of November, December, January, February, March and April of each year during the term of this lease, heat the building at least twice a week to a minimum temperature of 68° for eight (8) hours; however, if the average temperature [fols. 7444-7445] outside the building on any day shall be 68° or more, it shall not be necessary to build a fire on that day.

Early Land Mark to Make Way for Another Theatre

—

Famous Flannigan Block Sold to Seneca Theatres, Inc., Soon Will Be Razed

—

Among the major building operations scheduled for Canandaigua during the current season is one which will mark the passing of one of the best known landmarks in this section of the State, and the establishment here of another modern motion picture theatre.

Announcement was made today by William J. MacFarlane, manager of The Playhouse, that purchase of the Flannigan Block in South Main Street has been completed by the Seneca Theaters, Inc., a subsidiary of the Schine Circuit, which operates The Playhouse.

Stating that the purchase of the Flannigan property was completed late yesterday, Mr. MacFarlane advised that the present structure will be demolished to make way for the erection of a new Main Street theater for the service of this area.

It was also recalled by Mr. MacFarlane that ground was broken 17 years ago this Spring for the erection of The Playhouse, which he has since conducted as manager.

This change in the business section of the city will mark the passing of a structure which became famous almost a century ago as the home of Flannigan Restaurant, which was founded in 1865, by the late John Flannigan, Democratic leader in the county and one of the most astute restauranteurs in the country. At the same time Mr. Flannigan conducted a wholesale and retail oyster business.

Beginning with a basement room which for years was a rendezvous for prominent Canadaiguans, as well as actors, actresses, politicians and other prominent figures, the Flannigan Restaurant expanded until it occupied four rooms and a hallway on the second floor, as well as its basement beginning.

It has been claimed that Flannigan's was the first restaurant in Western New York to cater to the automobile trade.

It is also claimed that at one time Flannigan's was the only place from coast to coast, in the United States, where shore dinners and the serving of seafoods was a specialty, and that it was the first inland restaurant to introduce the serving of sea foods.

Among the notables of an earlier day who dined at Flannigan's, were: DeWolf Hopper, Rose Coghlan, Rolland Reed, Kyle Bellow, and Jane Brown Potter, prominent actors and actresses. Other notables who patronized Flannigan's in a bygone day, as well as many other prominent in military and naval affairs, were: James Whitcomb Riley, Bill Nye, and James Polk, their manager; Margaret Wilson, daughter of President Woodrow Wilson, David B. Hill, Governors Whitman and Odell, and Senator Wolcott.

The establishment of another theater here will mark the first time in 15 years that two theaters have been operated in Canandaigua. Besides The Playhouse, the Liberty Theatre, formerly known as the Bijou Dream, was continued in operation for a year or two as an auxiliary house.

New $100,000 Theatre Will Be Erected on Davis Garage Site By Schine Chain

Option on the Davis garage property recently taken by the Schine Theatrical Co. was taken up on Tuesday and preparations are under way for the erection of a new theatre in Perry at an estimated cost of $100,000. Abstracts and deeds are being prepared for transfer, including a 50-foot strip in the rear purchased from Joseph Ireland. The size of the lot will be 47½ x 160, which allows for a 10 ft. driveway at the rear.

Tentative plans call for a store on Main street in addition to the theatre lobby. The building will be of brick and concrete fireproof construction and the theatre will seat 1000 people, according to present plans. The sale was negotiated thru the Hodges agency.

The new theatre here is part of an expansion program of the Schine interests, who now have a chain of some 20 houses, including five in Rochester. The Perry location is one of four purchased this month as sites for new motion picture houses.

Schine Revives Plans for New Theatre Here

Dickerson Says Building to Be Erected Before May 1st on Main St. Site Owned by Chain

Schine Revives

A new theatre on Main street will be built by the Schine Enterprises here during the next four months, C. R. Dickerson, manager of the Andrews Theatre reported today, in a revival of plans announced periodically since 1929.

John Eberson, architect for the Schine interests and C. C. Young, district manager, were here Friday, Mr. Dickerson said, to inspect the property owned by the company on the east side of Main street, near the corner of Clinton.

Plans for the new theatre will be submitted shortly after January 1 and bids sought immediately. Plans call for the completion of the building by May 1.

Several times during the past nine years, the operators of the Andrews Theatre have announced similar proposals for theatre construction in Salamanca.

As on past occasions, the present plans call for the construction of a 1,200 seat theatre, with two stores flanking the theatre entrance on Main street. It would be completely air-conditioned and would include all modern theatre equipment and fixtures.

The Schine interests plan to continue the management of the Andrews even though the new theatre is constructed, Mr. Dickerson declared.

The site for the proposed theatre was purchased about ten years ago and is located between the Nies lot at the corner of Main and Clinton streets, and the Clayton store. It has a frontage of 91 feet on Main street, but spreads out behind the building where the Clayton store is located, extending on the north side to East Race stre-t and on the east nearly to the Frank delivery barn.

Myer Schine, Louis Schine, Schine Chain Theatres, Inc., all for convenience referred to as "Schine," parties of the first part, and Maurice A. Shea, of the City, County and State of New York, hereinafter referred to as "Shea," party of the second part;

Whereas, Schine is the owner of fifty per cent (50%) of the capital stock of Amsterdam Consolidated Corporation; and

Whereas, Shea is the owner of the remaining fifty per cent (50%) of such stock, and

Whereas, certain difficulties have arisen between the parties which make it desirable for either Shea to buy Schine's stock, or Schine to buy Shea's stock, and

Whereas, the parties desire to appoint a Committee of three (3) to effect a sale of one's stock to the other;

Now, Therefore, in consideration of the sum of One Dollar ($1.00) each to the other in hand paid, receipt whereof is hereby acknowledged, the parties hereby agree as follows:

Said bid shall be accompanied by a check for Five Thousand Dollars ($5,000) which Mr. Keough shall forthwith deposit in a special account to be held by Mr. Keough, so that if Shea is the ultimate purchaser of the Schine stock, it shall be applied on account of the purchase price, but if on the other hand, Schine purchases Shea's stock, then Keough on the close of the bidding shall return to Shea the Five Thousand Dollars. The same form shall apply if Schine is selected to make the first bid, and it likewise shall deposit Five Thousand Dollars with its first bid. Within twenty-four hours after receipt by Keough of said first bid, after notification by Keough of the receipt of the first bid, if Shea be the first bidder, then [fol. 7756] it shall be the privilege of Schine to make a counter-bid for Shea's stock, and said counter-bid shall be at least Twenty-five hundred Dollars ($2500)) more than the first bid of Shea, and said first counter-bid shall likewise be accompanied by a payment of Five thousand Dollars ($5,000), which shall be held by Keough in the same manner as the Five thousand Dollars ($5,000) of the other party. date of the receipt of the first bid by Keough. In computing the aforesaid fifteen days, Saturdays and Sundays shall not be included.

Mechanics of bidding. All bids must be in writing up to and including the bidding at 3:00 P. M. on the fifteenth day. On the fifteenth day at 3:00 P. M. if the bidding still be open, the parties shall meet at Keough's office, 1501 Broadway, New York City, and oral bidding shall then commence. Each party on said fifteenth day after 3:00 P. M. shall have five minutes within which to make a counter-bid, and the bidding shall remain open on this day as long as the parties continue to make counter-bids Twenty-five hundred Dollars (\$2500) in excess of the previous bid. Upon the expiration of five minutes after any bid or counterbid on said day, Keough shall immediately declare the bidding closed, and the stock sold to the highest bidder.

Mechanics of bidding Previous to 3:00 P. M. Until the last day all bids shall be in writing and shall be delivered to Keough at his office, 1501 Broadway, New York City. Raftery, 152 West 42nd Street, New York City, and a copy to Schine, c/o Willard S. McKay, Universal Pictures Corporation, 1250 Sixth Avenue, New York City. The same mechanics will apply for each day of the week except bids made on Friday. If bids are made on Friday, and notice given on Friday, then the other party shall have until 5:00 P. M. the following Monday to make a counter-bid.

All bids and counter-bids, after the first bid, shall be at least Twenty-five hundred Dollars (\$2500) in excess of the previous bid. If either party fails to make a counter-bid as aforesaid within the period aforesaid, then Keough shall close the bidding and declare the stock sold to the highest bidder at that time. Otherwise, the fifteen-day period shall apply.

* * * * * * * * * * * * *

[fol. 7759] 13. If Shea becomes the purchaser of the Schine stock, then in that event, J. Myer Schine, Louis Schine, and Schine Chain Theatres, Inc. jointly and severally covenant that they will not, directly or indirectly, or through affiliated corporations or subsidiary corporations or partnership arrangements, own, lease or operate any motion picture theatre or other theatre in the City of Amsterdam, New York, for a period of ten (10) years from the date of this instrument, individually or through agents, representatives or employees, nor will they buy or book pictures for exhibition in said city or in any other way enter into the theatrical or motion picture business in said city during said term. AGREEMENT ENTERED INTO BETWEEN THE STATE-BUCYRUS CO. and the METRO-GOLDWYN-MAYER DISTRIBUTING CORPORATION on August 28th, 1935, as part of 1935-36 feature contract No. 1-F

Distributor agrees to deliver all photoplays listed in schedule which are generally released prior to December 27th, 1935, and the exhibitor agrees to accept same in order of release upon the terms and conditions embodied in this contract.

It is mutually understood and agreed between distributor and exhibitor that of the subjects listed in schedule which are generally released after December 27th, 1935, the distributor will execute a superseding contract, listing in the schedule a sufficient number of pictures so that the exhibitor will have licensed to him 50% of the entire number of pictures listed in the schedule, which in this instance means that distributor will license in all a total of 25 pictures of the 1935-36 product to the exhibitor. The split of pictures after December 27th, 1935, to be made by the distributor, and the national split used by the larger Circuits to be used as a guide.

This split is made for the reason that the distributor is obligated to serve 25 of the pictures released during the 1935-36 season to Schine's Theatre in Bucyrus, Ohio, now under construction.

AMENDMENT TO CONTRACTS 1940-41; 1941-42

This amendment specifically refers to a group of contracts entered into on December 18, 1940 covering features, serials andvarious short subjects. It now appears that the productions for the 1941-42 season have been increased from forty-four to forty-eight pictures. It is the desire of Columbia Pictures Corporation to re-allocate this contract to be more in conformity with their production schedule and general sales policy, therefore; IT IS AGREED BETWEEN COLUMBIA PICTURES CORPORATION and theAUBURN CAPITOL THEATRE CORPORATION that the contracts referred to above, be amended with particular reference to features, as follows:

8 Features @ $200.00 each against 30% of the gross
10 Features @ $125.00 each flat rental

This to supersede that part of the contract which reads:

6 Features @ $200.00 each against 30% of the gross
8 Features @ $125.00 flat rental

To which we mutually agreed this second day of July 1941.

WESTERN DISTRICT OF NEW YORK

UNITED STATES OF AMERICA,
Plaintiff,

SCHINE CHAIN THEATRES, INC., *et al.*,
Defendants.

Civil No. 223
Appeal No. 2

Jurisdictional Statement

(Under Rule 12, Paragraph 1 of the Revised Rules of the Supreme Court of the United States)

This is an appeal from an order of the United States District Court for the Western District of New York entered on July 5, 1946 and designated "Order Setting Forth Plan Effectuating Judgment."

The jurisdiction of the Supreme Court of the United States of the appeal in the above entitled case is based on section 238 of the Judicial Code as amended by the Act of February 13, 1925, 43 Stat. 936, 938, 28 U. S. Section 345, incorporating section 2 of the Act of February 11, 1903, 32 Stat. 823, 15 U. S. C. Section 29, as follows:—

Title 28, Section 345: A direct review by the Supreme Court of an interlocutory or final judgment or decree of a district court may be had where it is so provided in the following sections and not otherwise: (1) Section 29 of Title 15. . . .

Title 15, Section 29: In every suit in equity brought in any district court of the United States under Sections 1-7 of this title, wherein the United States is complainant, an appeal from the final decree of the district court will lie only to the Supreme Court and must be taken within sixty days from the entry thereof.

The above entitled civil action is a complaint by the United States under section 4 of the Act of Congress of July 2, 1890, 26 Stat. 203, entitled an act to protect trade and commerce against unlawful restraints and monopolies, against nine defendants, alleging violations by them of sections 1 and 2 of said Act.

Said sections 4, 1 and 2 are included within sections 1-7 of the aforesaid title 15.

Judgment was originally entered herein on November 1, 1945. On November 8, 1945, the Court entered a supplementary judgment to suspend the operation of the judgment entered November 1, 1945 until December 7, 1945. On that day the defendants filed a motion in the District Court pursuant to Rule 62(b) and (c) of the Rules of Civil Procedure to stay the execution of or any proceeding to enforce any judgment or decree or order effective or presumably effective herein pending final determination of defendants' motion pursuant to Rule 52(b) *infra*. Said Motion expressly stated that the defendants did not by making the motion admit that any judgment or decree then was or could become effective against them until final determination of their motion under Rule 52(b). At the request of the plaintiff, and with consent of the defendants, the Court postponed the hearing of said motion until February 4, 1946.

On November 8, 1945, on motion and consent of both parties, the Court entered an order extending the time in which any of the parties might move to amend the Court's findings or to make additional findings, or to amend the judgment to December 7, 1945.

On November 10, 1945, the defendants filed a motion pursuant to Rule 52(b) of the Rules of Civil Procedure, to amend the Court's findings of fact and conclusions of law, to make additional findings and conclusions of law, and to amend the judgment accordingly. This motion sought a reconsideration of certain basic findings of fact and the alteration of the conclusions of the Court. It was not addressed to mere matters of form, but raised questions of substance.

This motion tolled the time to appeal, *United States* v. *Crescent Amusement Co.,* 323 U. S. 173, 177.

As so decided, the allowance of an appeal before the decision of that motion would have been premature and the sixty days limited by the aforesaid section 29 would not expire, at the earliest, until sixty days after the decision of the aforesaid motion to amend. An application within the sixty days aforesaid is timely and can be allowed effectively either before or after the expiration of the sixty days, *Matton Co.* v. *Murphy,* 319 U. S. 412, 414.

On or about February 1, 1946 the plaintiff filed a motion, pursuant to Rule 52(b) of the Rules of Civil Procedure, to amend the Court's findings of fact and conclusions of law, and the judgment. This motion, together with the defendants' motion under Rule(52), was heard by the Court on February 25, 1946, and on March 11, 1946 the Court filed its opinion and decision granting and denying in part each of said motions.

On March 29, 1946 the Court filed amended findings of fact and conclusions of law as indicated in said opinion and decision, and concurrently therewith the Court filed an amended judgment.

On February 25, 1946, the plaintiff filed its "Plan Of Reorganization of the Schine Circuit Proposed by Plaintiff and Memorandum in Support Thereof". On April 1, 1946, the defendants filed their "Defendants' Objections To Plaintiff's So-called Plan of Reorganization", in which they claimed, among other things, that the consideration of any plan was premature.

On April 16, 1946, the defendants filed their notice of appeal and petition for allowance thereof from the judgment entered on or about the 1st day of November, 1945 and the amended judgment entered on March 29, 1945. Said appeal was duly allowed by order dated April 17, 1946 and the District Court duly issued its citation dated April 17, 1946, returnable within forty days thereafter. The time to docket said appeal and file the record thereof with the Clerk of the United States Supreme Court has been enlarged and extended by orders made pursuant to Paragraph 1, Rule 11 of the Revised Rules of the Supreme Court, until the 30th day of September, 1946.

On April 16, 1946, the defendants moved the court to stay all proceedings under the second and third sentences of Paragraph III of the judgment dated November 1, 1945, on the ground that said sentences had been eliminated from said paragraph by the amended judgment dated March 29, 1946.

On May 28, 1946, the defendants filed "Defendants' Proposals Regarding Re-alignment of the Schine Circuit", expressly reserving all objections theretofore made with respect to the formulation, adoption or approval at any time prior to the determination of their pending appeal in this case by the Supreme Court, of any plan for the dissolution, reorganization or re-alignment of the Circuit. At the same time, to wit, on May 28, 1946, and again reserving all rights to claim that any further order of the District Court with respect to the performance of paragraph III of the amended judgment, prior to the determination of the appeal herein by the Supreme Court of the United States, is premature, the defendants moved the Court for an order decreeing that, prior to the approval or adoption by the Court of any method of compliance with Paragraph III of the amended judgment, hearings be held at which testimony might be taken pertinent and necessary to the method of compliance with Paragraph III of the said judgment, and of plans submitted by the respective parties or any amendments or modifications thereof.

On or about May 31, 1946, the plaintiff filed in the District Court a statement pursuant to Rule 12, Paragraph 3, of the Revised Rules of the Supreme Court of the United States entitled, "Statement of the United States Opposing Jurisdiction of the Supreme Court and Motion To Dismiss Or Affirm." In and by the said statement the plaintiff claimed that the appeal theretofore taken by the defendants and allowed on April 17, 1946 was premature. Within twenty days thereafter the defendants filed in the office of the Clerk of the Supreme Court of the United States, their "Brief in Opposition to Motion by Appellee to Dismiss or Affirm." Said motion is now pending undetermined.

On June 7, 1946, defendants filed in the District Court a motion for a stay of all proceedings in connection with the consideration, approval or enforcement of any plan or plans of dissolution, reorganization or re-alignment, said stay to continue until the determination by the Supreme Court of the United States of plaintiff's motion to dismiss defendant-appellants' appeal and in the event of the denial by the Supreme Court of said motion, to continue until the final disposition by the Supreme Court of said appeal. Said motion was heard by the District Court on June 17, 1946.

On June 2[illegible], 1946, the Court, by separate orders entered on that day, denied defendants' motion to take further testimony and also denied defendants' motion for a stay.

On July 5, 1946, the Court handed down an opinion or decision approving the general features of the plan of divestiture theretofore submitted by the plaintiff and concurrently therewith entered an order purporting to be an "order setting forth plan effectuating judgment." On July 15, 1946 the defendants moved the Court for an order amending and/or resettling and/or clarifying its said order of July 5, 1946 in the following respects:

(a) By expressly stating that the Stay provided for in Paragraph IV of said Order is effective immediately and applies to all parts of said Order, including, without being limited to, the provision for the filing of an election by the Defendants under Paragraph I of said Order, and the provision for the designation by the parties of a person to be appointed as Trustee under Paragraph II of said Order, and

(b) Directing the entry of a formal Judgment in conformity with the terms of said Order, or, in the alternative, designating said Order as a final appealable order, and the defendants, as part of said motion, expressly reserved all claims to jurisdiction previously asserted.

Said motion was heard by the Court on Juy 15, 1946 and the Court thereupon ruled that the stay contained in said order of July 5, 1946 applies to the entire order and that all of said order is now stayed and that the order entered on June 5, 1946 is to be construed as a final order.

This case is within the jurisdictional provisions relied on. (*United States* v. *Crescent Amusement Co.*, 323 U. S. 173).

Appended hereto is a copy of the Opinion of John Knight, U. S. D. J., dated July 5, 1946, and delivered upon the rendering of the order sought to be reviewed and a copy of the opinion of John Knight, U. S. D. J., dated October 8, 1946, and delivered upon the rendering of the original judgment in this case.

Respectfully submitted,

> "§ 1. Trusts, etc., in restraint of trade illegal; exception of resale price agreements; penalty

Every contract, combination in the form of trust or otherwise, or conspiracy, in restraint of trade or commerce among the several States, or with foreign nations, is hereby declared to be illegal: *Provided,* That nothing contained in sections 1-7 of this title shall render illegal, contracts or agreements prescribing minimum prices for the resale of a commodity which bears, or the label or container of which bears, the trade mark, brand, or name of the producer or distributor of such commodity and which is in free and open competition with commodities of the same general class produced or distributed by others, when contracts or agreements of that description are lawful as applied to intrastate transactions, under any statute, law, or public policy now or hereafter in effect in any State, Territory, or the District of Columbia in which such resale is to be made, or to which the commodity is to be transported for such resale, and the making of such contracts or agreements shall not be an unfair method of competition under section 45, as amended and supplemented, of this title: *Provided further,* That the preceding proviso shall not make lawful any contract or agreement, providing for the establishment or maintenance of minimum resale prices on any commodity herein involved, between manufacturers, or between producers, or between wholesalers, or between brokers, or between factors, or between retailers, or between persons, firms, or corporations in competition with each other. Every person who shall make any contract or engage in any combination or conspiracy declared by sections 1-7 of this title to be illegal shall be deemed guilty of a misdemeanor, and, on conviction thereof, shall be punished by fine not exceeding $5,000, or by imprisonment not exceeding one year, or by both said punishments, in the discretion of the court."

The Issues and the Rulings Below

The original complaint in this action was filed on or about August 1, 1939. A first amended complaint was filed on May 7, 1941. A second amended complaint was served at the opening of the trial and the clerk of the District Court has certified that it was not formally filed. The principal producers and distributors of motion pictures in the United States were named as defendants in the original complaint, but were not named defendants in the second amended complaint upon which this proceeding went to trial.
